Due Date _____

Julius Caesar Act V Study Guide

Scene I takes place on the plains of _____. Octavius is pleased that the faction forces have decided to march down instead of keeping to the "hills and upper regions." Antony replies that is but a ruse, an attempt by the enemy to show they have courage; he describes their march with an oxymoron, calling it "_____." Octavius and Antony disagree about which side each will take, the left or right, which shows Octavius is establishing himself as the leader, asserting his authority as Julius Caesar's nephew.

When the faction army arrives, led by _____ and _____, the generals first decide to "have some words" before the battle begins. The two sides argue about talking or fighting, and Antony accuses Brutus of making a hole in Caesar's _____ while crying, "Long live! Hail Caesar!" to show how duplicitous and deceitful Brutus was to his good friend. Then Cassius accuses Antony of sweet talking, using a classical allusion from both Virgil (Eclogues) and Homer (the Iliad) to the _____, but this mountain in Sicily is renowned for its sweet honey. When Antony replies, "That sting is too!" he knows his words can have the same painful power as stinging bees.

Antony uses four similes to shame the conspirators. Antony compares the men to _____, _____, and Cato specifically to a _____ (dog). None of these associations flatters the group. Octavius is very angry and says his next will turn to "_____ drops," meaning _____. Octavius is outraged at the number of times Julius has been stabbed, _____ times. Octavius ends the "parley" before the battle; he calls the leaders of the faction _____, and treats them to come to the field and fight.

Before the battle Cassius confides in his oaks, and tells his friend that today is his _____. Previously, Cassius has not been a superstitious man, but returning from Sicily, he believes he saw a bird omen, when "_____ mighty _____ [were] ... going and feeding from our soldiers' hands." The next morning the powerful birds are gone, and in their place are "_____ and _____," which seem to be waiting for the soldiers as "silly prey." Marciana tells Cassius not to believe the "portents," that it is a flawed interpretation, but Cassius says he does "believe in _____."

Cassius wants to know what Brutus will do if they lose the battle. Cassius asks if Brutus will "be led in triumph/Through the streets of Rome" if he is captured. Brutus says that will never happen and "_____ this same day/Must end the work the _____ of _____ began." The discussion concerning "if we [ever] meet again," does shadow the outcome of the impending battle.

Scene II of Act V is a very short scene, only _____ lines long! In the first two lines Brutus gives instructions to _____ to take information "to the legions on the other side." In the remaining lines Brutus speaks ordered to him as if in a _____, and the audience learns of Brutus' thoughts on the fight.

Scene III takes place on a different part of the battlefield. Cassius speaks to Titinius and tells him of a cowardly escape who was retreating; Cassius _____ the deserter. Titinius has misgivings about the battle,
