

A photograph of a narrow, stone-paved path winding through a dense forest. The path is covered with fallen brown leaves. On the right side of the path, there is a green metal park bench. The trees are tall and their branches are bare, creating a canopy over the path. A bright, glowing light source is visible at the far end of the path, creating a strong lens flare and illuminating the scene. The overall atmosphere is mysterious and serene.

Bhattacharjee, 2022-07-30 It is the wonders that lie on the other side of haze that makes someone a seeker a sage a pilgrim at heart At every step it becomes a deepening into the sea of silence delving into the unmoving for it is not a journey of your body alone but a journey of your spirit It then becomes a pilgrimage of your soul The soundless maze pulls you deeper into the bliss from the lips of heaven for in not knowing the unknowable lies the acceptance that there is something far reaching of a colossal beauty that is beyond our understanding We can only attempt to walk through the mystery but a part of it may always be beyond our grasp Still the walk we must take for in it is the fulfillment of the body and soul The purpose of this pilgrimage is to capture the eternity at every moment for no moment comes back again and you never get another chance at life It is in this spiritual odyssey that you live to your fullest as from your wearied self flowers shall grow again and your fragrance will release for you will sense the spell of eternity Every moment will be a meeting point where you are brought home to yourself for the wonders will light your eyes You have finally found the secret of living for living on the earth you
