the Bible Elisabeta Karp,2025-06-25 The Bible is more into showing than telling When it wants to teach important and prophetic truths it takes its time telling true stories And storytelling in Scripture works like a ripple effect It sets off a current of events and experiences that repeat expand connect develop and slowly move toward something or someone Bible stories build Bible prophecy The beloved stories readers grew up with like David and Goliath also contain frequent flashbacks to past stories so as to foreshadow the future As the grand narrative progresses from the Old to the New Testament these recycled stories and their developing patterns eventually shape into a silhouette ready for the Messiah to step into as the perfect match So like Jesus disciples on the road to Emmaus readers must take another listen to the biblical authors narrating their stories because through them they are making the greatest prophetic connections that will cause hearts to burn for truth As people discover how the Bible s stories ripple toward Messiah their own stories will too **Every Day with Jesus Daily**

Bible Selwyn Hughes,2013-10-01 Many people begin a new year with a commitment to read the Bible through in 365 days These intentions are good but the reading plan they choose may not be the most effective one for reaching the goal Every Day with Jesus Daily Bible manages to overcome many difficulties of reading the Bible straight through in a year From day one the plan provides rich variety in the readings Each day includes a selection from The Old Testament The New Testament Psalms Proverbs There s also a devotion from beloved pastor Selwyn Hughes that is linked to one of the four readings for the day Those who follow this plan will read the entire Bible in a year Reading the four different Scripture portions each day has the benefit of introducing many readers to passages they have never explored And this is done in a context where encountering the four different Scripture selections together at the same time will yield new insights into God s Word
