The Case for Jesus Brant Pitre, 2016-02-02 This book will prove to be a most effective weapon against the debunking and skeptical attitudes toward the Gospels that are so prevalent not only in academe but also on the street among young people who sadly are leaving the Churches in droves Robert Barron author of Catholicism For well over a hundred years now many scholars have questioned the historical truth of the Gospels claiming that they were originally anonymous Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine In The Case for Jesus Dr Brant Pitre the bestselling author of Jesus and the Jewish Roots of the Eucharist goes back to the sources the biblical and historical evidence for Christ in order to answer several key questions including Were the four Gospels really anonymous Are the Gospels folklore Or are they biographies Were the four Gospels written too late to be reliable What about the so called Lost Gospels such as Q and the Gospel of Thomas Did Jesus claim to be God Is Jesus divine in all four Gospels Or only in John Did

Jesus fulfill the Jewish prophecies of the Messiah Why was Jesus crucified What is the evidence for the Resurrection As The Case for Jesus will show recent discoveries in New Testament scholarship as well as neglected evidence from ancient manuscripts and the early church fathers together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels Above all Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context *The Historical Jesus* James K. Beilby, Paul Rhodes Eddy, 2010-01-04 The Historical Jesus Five Views provides a venue for readers to sit in on a virtual seminar on the historical Jesus Beginning with a scene setting historical introduction by the editors prominent figures in the Jesus quest set forth their views and respond to their fellow scholars For both the classroom and personal study this is a book that fascinates probes and engages **Rose Handbook of Bible Charts, Maps, and Timelines** Rose Publishing, 2024 Handbook of Rose Publishing's best Bible charts maps and timelines Unruly Books Esther Brownsmith, Liv Ingeborg Lied, Marianne Bjelland Kartzow, 2024-12-12 This volume explores the idea of the unruly book from books now known by their titles alone to books that subverted structures of power and gender The contributors show how these books functioned as sticky objects and they examine the story of what such books signified to the people who wrote read discussed yearned for or even prohibited them The books examined are those of the first millennium of the Common Era and the writings of Judaism Christianity Islam and related traditions In particular the contributors examine the bounty of books within this period that are hard to pin down whether extant lost or imagined books that challenge modern scholars to reconceptualize our notions of books biblical or otherwise religion manuscript culture and intellectual history Through the critical analyses presented in this volume the contributors negotiate the diverse stories told by unruly books and show that by listening to the stories that books tell we learn more about the worlds that imagined and discussed them Rose Book of Bible Charts Rose Publishing (Torrance, Calif.), 2008 More than 230 pages of reproducible Bible charts in one book Buying these charts separately would cost 130 You may reproduce up to 300 copies of any chart free of charge for your own classroom Full color contains most Rose material published since 2005 Hardcover with a spine covering a spiral binding 233 pages **The Gospel Truth** Patrick T. Rhoads, 2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with

the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am A Few Hundred Bible Contradictions, a Hunt After the Devil, and Other Odd Matters. Newman, 2011 A fascinating analysis that blends world history Western religion and Eastern mysticism Quest for the Kingdom by Dr John M Newman examines the kingdom of God as the historical Jesus describes it The book's premise holds that Jesus' teachings include specific instructions for the quest to find and live in God's kingdom before death This powerful work favors fact and readers can revel in Jesus' authentic teachings that describe the quest both as internal spiritual cultivation and the way to live in the world It is rare for a book on Christian theology to break new ground but Newman does this on two fronts the striking parallel of Jesus' teachings with the ancient mysticism of yoga and the equally fascinating

parallel between Jesus healing techniques and the practices of modern psychotherapists like Freud Newman is meticulous in drawing these original and unique parallels and they lift this work's premise to a non generic level that speaks to several audiences an accomplishment that sets the work apart from the pack In twenty accessible and engaging chapters like The Kingdom of God The War of the Houses The Kingdom Is Like a Woman Spiritual Cultivation and The Exorcisms and Healings of Jesus the reader watches Jesus at work healing and offering his parables at a communal meal In addition to elucidating the path to the kingdom that Jesus shared with his followers Newman explains and illustrates the voice print of Jesus his sage rhetorical strategies and distinctive discourse Newman brings Jesus parables to life with a penetrating analysis that enables the reader to experience Jesus mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners A commanding new breakthrough in the understanding of the teachings and works of Jesus this book is a must read for academics and laypersons alike
