AdrenalineMoto | Street Motorcycle PU Catalog 2014 Parts-Unlimited Motorcycle Parts & Gear, LeMans Corporation - All Rights Reserved, 2014-01-01 AdrenalineMoto is an authorized dealer of Parts Unlimited and claims no ownership or rights to this catalog. The Parts Unlimited 2014 Street catalog is more than just a book. It is designed to help you and your customers get the most out of your passion for powersports. It showcases the new exciting in demand products as well as highlighting trusted favorites. The well organized catalog sections make it easy to find the items you want. And every part is supported with the latest fitment information and technical updates available. Looking for tires? See the Drag Specialties Parts Unlimited Tire catalog. It has tires, tire accessories, and tire wheel service tools from all the top brands. And for riding gear or casual wear, see the Drag Specialties Parts Unlimited Helmet Apparel catalog. Combine all three catalogs for the most complete powersports resource of 2014.

For the Win Cory Doctorow, 2010-05-11 In the virtual future you must organize to survive. At any hour of the day or night millions of people around the globe are engrossed in multiplayer online games questing and battling to win virtual gold jewels and precious artifacts. Meanwhile others seek to exploit this vast shadow economy running electronic sweatshops in the world's poorest countries where countless gold farmers bound to their work by abusive contracts and physical threats harvest virtual treasure for their employers to sell to First World gamers who are willing to spend real money to skip straight to higher level gameplay. Mala is a brilliant 15 year old from rural India whose leadership skills in virtual combat have earned her the title of General Robotwalla. In Shenzhen heart of China's industrial boom Matthew is defying his former bosses to build his own successful gold farming team. Leonard who calls himself Wei Dong lives in Southern California but spends his nights fighting virtual battles alongside his buddies in Asia, a world away. All of these young people and more will become entangled with the mysterious young woman called Big Sister Nor who will use her experience, her knowledge of history, and her connections with real world organizers to build them into a movement that can challenge the status quo. The ruthless forces arrayed against them are willing to use any means to protect their power including blackmail, extortion, infiltration, violence, and even murder. To survive Big Sister's people must out-think the system. This will lead them to devise a plan to crash the economy of every virtual world at once: a Ponzi scheme combined with a brilliant hack that ends up being the biggest, funnest game of all. Imbued with the same lively subversive spirit and thrilling storytelling that made *LITTLE BROTHER* an international sensation, *FOR THE WIN* is a prophetic and inspiring call to arms for a new generation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
