and Respect Devotional Dr Eggerichs,2025-02-04 In this couple s devotional Eggerichs has taken the top concerns that surfaced in a survey of thousands of couples and has developed 52 devotionals around the three cycles that are at the heart of Love and Respect **Summary of Dr. Emerson Eggerichs's Love & Respect by Swift Reads** Swift Reads,2020-10-22 Is there a secret formula to marital bliss Dr Emerson Eggerichs says yes and it s far less complicated than you might think Purchase this in depth summary to learn more **Summary of Emerson Eggerichs' Love and Respect in the Family** Everest Media,2022-06-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Family Crazy Cycle is when a child feels unloved and they tend to react in a disrespectful manner toward their parents When a parent feels disrespected they tend to react in an unloving manner toward their children 2 The author s wife Sarah had had enough with parenting the kids She had a brief thought of wanting to leave her family behind and ride off into the sunset but she quickly dismissed the idea She felt like a failure 3 The Family Crazy Cycle is when a child reacts negatively when he does not get his way and when parents react negatively to that the cycle continues When parents are not respected they feel disrespected and when children do not listen to parents parents feel disrespected 4 I learned the importance of asking the first question Is my child feeling unloved But I also began to get in tune with another question that was still forming in my soul during those early years Am I feeling disrespected Often I knew I felt disrespected but I was not sure if I should have these feelings since I was supposed to be the mature adult **The Love and Respect Devotional** Dr. Emerson Eggerichs,2023-11-07 In this couples devotional Eggerichs has taken the top concerns that surfaced in a survey of thousands of couples and has developed 52 devotionals around the three cycles that are at the heart of Love and Respect **Before You Hit Send** Dr. Emerson Eggerichs,2017-07-25 When will we learn With every sunrise we are given plenty of new examples of people Hitting Send and soon regretting it Social media means what it says it is social Our methods of communication today allow for something to potentially be broadcast to everyone from Pekin Illinois to Peking China But it s not only Twitter fanatics who can find themselves in trouble Every single one of us is capable of falling prey to this growing plague Every day we have the potential of both verbal and written blunders It makes no difference if we are talking to a stranger over a meat counter chatting on a cell phone with our mother or sending an e mail to a coworker we can and do miscommunicate and people can and do get the wrong idea When we don t pause long enough to think before speaking or writing it commonly yields a misunderstanding and leads to a clash We end up being the person who said You know that sphere of the brain that stops you from saying something that you shouldn t Well I don t have one of those This book is about preventing that misunderstanding and allowing for understanding Said another way preempting people from getting the wrong idea and enabling them to get the right idea We all need work in this area in far more ways than just glancing through a checklist From external examples to internal turmoil Before You Hit Send is about the four things we must think through before communicating In all things we wish to say or write we would be wise to ask ourselves Is it true Is it kind Is it

necessary Is it clear When we ask and answer these four questions honestly we will be thinking wisely before we speak But to explore this fully we need to find out a whole lot more about ourselves and uncover why we consciously and subconsciously get into these communication disasters to begin with You may be surprised what you discover about yourself Shall we begin
