Love Me Baby:

Think Again Fabulous Fabel, 2012-06 I was born 1966 as Randall Fabel When I was young I moved from Minnesota to Louisiana I have lived in Florida Texas and Arkansas Now Louisiana is my home I've been everything from a truck driver to a painter now I'm a construction foreman They have been calling me Fabulous Fabel for many years I don't really know why I guess it's just because of my creative mind I have been married twice and have two step kids as well as two of my own I also a proud step grandfather I've always thought that I was born to do something else Music always has been part of my life With every word I write there's a melody in my head I can sing along to any one of these songs Although when I was younger I never would write down these melodies in my head Now that I'm older I have two teenage kids of my own that I love very much I tell them to follow their dreams I have been sitting on my dream all along which is to be an acknowledged song writer My kids give me all the inspiration that I need to succeed in life I am up and down in this crazy life and I think it's about time to become who I was meant to be Maybe something good will happen here who knows the sky's the limit so they say So peace love and happiness

This book and all my Little Girl Black poetry books volumes 1-6 celebrate and confront dreams religion marriage unfairness sex friendship racism colorism abuse strength judgments fantasies love education families power death the black sheep syndrome and many other situations An education is something you must have Without a doubt you will need an education someday Without an education who will count your coins or how would you know how much paper was in your bag before you let your smart ass accounting count it for you His or her pockets may just be dripping with your cash You know he or she will be twerking and crip walking all the way to the bank You better learn quick how to count your moolah Sticky fingers always come with skills Without an education how will you learn about your history Who will teach you about all the wars that were won and lost if you can't read You will have to depend on what someone is telling you If you can read you can do your own research of your past present and future If you don't get an education someone else will write your story and tell all kinds of tall tales If you didn't go to school and learn to write your story yourself who can tell your life story better than you An education is a must You will find out the hard way Just because they're your friends in your face doesn't mean they will be the same friends behind your back Your story is being written and told by a hater Navigate your own legacy by learning to read Who will speak for you if you don't speak for yourself No one knows how or why your pain multiplies why your happiness is so big it floats up to the sky or how bright your future will get if you keep your head in your books and your nose clean Dyslexic I know some of us need a little help or maybe just a little extra time because of how our brain operates or is wired If I can so graciously attempt to describe a dyslexic mind I will try with some old dance crazes from the fifties and sixties as metaphors Well here goes A so called normal mind or brain does the dance we call the twist slowly twisting or wiggling your hips and still keeping up with the beat as you let your backbone slip or a simple slow drag or stepping a dance where you're in total control Your smooth moves engage every part of your body as you slowly synchronize across the room and floor holding your partner close And my brain a dyslexic brain is very busy and does an old dance called the funky chicken and the funky funky Broadway moving the head feet and all limbs at the same time at a faster tempo but dramatic Just a step behind but your imagination is all the way up on cloud nine That's how I describe a dyslexic mind But being
