

RIVERS

Go ahead and tell me
that you know all I can be,
that you've studied every droplet
of my ever changing sea.

But weren't you ever taught
that seas are only where it ends?

The things that tell the story
are the river's twists and bends.

The ocean isn't everything,
rivers are part of it of course,
but you cannot judge its currents
if you do not know its source.

Nanji, 2025-02-07 Frozen Flame is an intimate journey from emotional despair to the transformative power of love The collection opens with Frost where the writer is consumed by feelings of being trapped helplessness and stagnancy caught in a cycle of doubt and fear with hope seeming distant In Flicker a subtle shift begins The writer finds small sparks of clarity growth and fragile hope signalling the first stirrings of change These moments represent a tentative reach for a future once thought out of reach Finally in Flame the collection bursts into light as love in all its beauty and intensity ignites the writer's spirit This section celebrates the freedom renewal and strength that love brings burning away doubt and fear to reveal a newfound purpose of joy Frozen Flame is a testament to the resilience of the human spirit the quiet power of transformation and the life changing force of love that rekindles the heart **Kindle the Fire** Shelley Tucker, Ph.D., 2002 This book offers a
