Love Thy Neighbor S Nephew:

Love Thy Neighbor Alice Crocker, 2020-11-17 They're mostly Muslims they'll hate you was the dire warning given to the author before she embarked upon the adventure that would change her life. Time disproved that and many other negative predictions. In this world of East versus West or Christian versus Muslim mentalities the real life experiences of ESL teacher Alice Crocker disprove much of what many people expect when they become full time residents in a country culture or even religious environment that is not their own. With endearing earthy wit infinite delight in her experiences even the embarrassing ones and most of all deep abiding love and respect Alice's true stories prove that friendship knows no bounds and that being a fish out of water can be the most humbling instructional and meaningful experience of all. Be encouraged to fully entrust your life to God because a joyous adventure awaits and open your heart to people who are foreign as individuals not stereotypes. Because in the scope of creation and journeying through this temporary world with all its joys and promise struggle and uncertainty Alice and her beloved Indonesian friends students and colleagues prove that we are all in this together.

Genesis Judith Folse, 2018-06-15 The Bible is God's inspired revelation to His people and it is His enduring truth. Yet it can also be difficult for us to sometimes recognize how God's revealed truths are relevant for us today and even for all time. Especially when it comes to Old Testament scriptures how can we focus our faith and apply what we know today in the modern world and discover the relevance and truth of these scriptures in a personal way. In *Genesis A Modern Day Commentary* author Judith Folse presents the story of Genesis as the first part of the whole story of God's plan of redemption for humankind but she relates the subject matter of Genesis to New Testament themes that focus on the relationship between God and humanity. In an easy to read style this commentary illuminates the ancient problems of sin and violence that still affect us today and it is intended for people of all faiths with a reverence for the Old Testament. No matter your level of familiarity with the book of Genesis approaching it in a new way will likewise renew your understanding of how timeless and relevant the Word of God is today. By identifying your common connection to the rest of humanity through biblical illustrations you will not only recognize the ancient themes relevant to modern day issues of world peace and human violence you will also discover or rediscover the truth of God's revealed eternal words.

Love Thy Neighbor II Alice Crocker, 2020-11-05 *Love Thy Neighbor II* the sequel to *Love Thy Neighbor* will lead you to fall in love with people the media has told you are enemies. The stories show the delight of not taking oneself too seriously and how that frees friends from your host country to laugh with you and thus bond your hearts forever. They're mostly Muslims they'll hate you was the dire warning given to the author before she embarked upon the adventure that would change her life. Time disproved that and many other negative predictions. In this world of East versus West or Christian versus Muslim mentalities the real life experiences of ESL English as a Second Language teacher Alice Crocker disprove much of what many people expect when they become full time residents in a country culture or even religious environment that is not their own. With endearing

DeMassa,2010-01-22 I have decided to tell the story of my life I intend to include information about my parents and my brother and as I recall various events I will include stories about other relatives and friends as well We were an especially close family and our lives always revolved around one another I believe this closeness was fostered by the love my parents had for each other and they passed this love to each of us In addition Tommy and I were highly respected and encouraged by Mom and Dad all through their lives They loved to take credit for all we achieved as well they should have We always did the best we could But they gave us the chance and the backing we needed Especially because Tommy and I were deeply loved by our parents we gained confidence and assurance We knew where we stood from the beginning And we could always count on Mom and Dad for anything we needed In addition my parents deeply loved their families They passed on this love to us through their close relationships with their brothers sisters cousins and relatives in Italy and Romania as well as their many friends Family came first all through our

lives There may have been disagreements but they were only occasional and the closeness returned We were always thrilled to receive letters from the relatives overseas and the letters were read word for word to each other I always felt part of the larger family even though I did not understand the language My mother interpreted for us so we knew what was said and what the news was Since my brother Tommy died so suddenly on November 14 2003 I have felt a loss so deep I sometimes feel I can barely continue The hurt never goes away I want to share the reasons for my closeness to Tommy so our family and friends can better understand For me Tommy represented everything in life my upbringing my parents and nearly all the things I experienced up to the present time He was the one single family member to talk to who understood all of me I never thought of life without Tommy It has been a terrible blow and of course I realize this is true for our family and friends also Further since I have begun to think out what I want to write I have expanded my goal to include additional stories and descriptions of our family which will explain and bridge the generations of individuals who made up our lives Perhaps other cousins and their children and other friends too will be interested in my story I hope to include pictures letters and other materials which will be a history of our family to leave as my legacy to nieces and nephew and their children and to others Even now it is possible that only three great grandchildren will remember my mother their great Grandma GG She loved them dearly and I hope to leave them some wonderful memories and important information they can pass on to their children I think they need to know where they came from down through our European roots and what our family was like Otherwise I am afraid all would be lost Who will be left to tell our story There are very few relatives left even now who remember So I have decided to try to tell this larger story in addition to describing my life There are other persons who know some of my life s history also and as time permits I will talk to them to add or correct information namely Auntie Nina Mom s sister or her children Jennie Ray my first cousin and friend and Octavia Lina Hirschmann Mom s first cousin Or Octavia s children Carol Borthwaite Colorado or Fred Hirschmann Alaska In addition my sister in law Joann will be of help as needed to give information about Tommy Joann will have her story to tell also As time passes there are fewer and fewer people to ask about our history and I hope to be as accurate as possible Most everyone I have talked to about this project has been supportive Several have even said that they too would like to leave some history for their families So

Life in Tension Stephen W. Hiemstra, 2020-11-12 When God comes into our lives we change Our new identity in Christ comes into tension with our old identity in ourselves as the Holy Spirit works in our hearts and minds This tension arises between who we were and who God created us to be between us and God and between us and those around us The Apostle Paul calls the work of the Holy Spirit in our lives sanctification Life in Tension reflects on Jesus Beatitudes in the context of scripture The Beatitudes serve as an introduction to the Sermon on the Mount and lay out Jesus priorities in teaching his disciples Because the sermon serves as a kind of ordination service for the Apostles the importance of the Beatitudes for the early church Christian spirituality and discipleship today cannot be overstated Life in Tension is organized as a devotional Each chapter offers a reflection a prayer
