Burton Maria Chapdelaine Louis H mon The Four Feathers A E W Mason The Miranda Trilogy Grace Livingston Hill The Great Gatsby F Scott Fitzgerald      **Women in Love** D. H. Lawrence,1987-05-21 Seen by Lawrence as his most accomplished book but subject to the initial prudery and incomprehension that met most of his fiction Women in Love examines the regenerative and destructive aspects of human passion as illustrated by its depiction of Ursula and Gudrun Brangwen who first appeared in The Rainbow and their relationships with Gerald Crich and Rupert Birkin Set against the backdrop of a world consuming itself in war the novel creates an instructive vision of humanity's dance with life and death This text is the famous first Women in Love the unexpurgated version preferred by Lawrence himself which was rejected by every publisher because of the banning of The Rainbow in 1915 More positive in tone than the revised version published in his lifetime with different central relationships and a radically different ending it is now viewed by many as Lawrence's masterpiece BOOK JACKET      **Foremother Love** Dana Murphy,2025-06-27 Dana Murphy examines the importance of eighteenth century poet Phillis Wheatley as a foundational figure for Black feminist criticism      *After Love* Subhash Jaireth,2012-10-01 Vasu a young Indian student of architecture arrives in Moscow in the late 1960s He falls in love with Anna an archaeologist and an accomplished cellist yet his romanticism about the Soviet Union clashes with her experience He goes back to India to design a village for a co operative of coffee farmers but he cannot forget Anna and on his return they marry Anna wants to leave Moscow but isn't keen to go to India They decide to go to Venice where Vasu has been offered a teaching position In Italy their life unravels when Anna mysteriously disappears without a trace Years later Vasu discovers a painful but wonderful truth A beautifully written story full of music and emotions that moves with ease across continents After Love is destined to touch the hearts of readers everywhere      **For the Love of Language** Kate Burridge,Tonya N. Stebbins,2015-10-16 This text offers a comprehensive introduction to how language works and the role of linguistics in investigating its fundamental design      *Poetnology 2nd Edition Black History Version* Author Shedrick Claycomb,2009-03-22 This is a combination of my first poetry book mixed with my second poetry book The first book is Poetnology The 2nd edition is a Black History Version of Poetnology This special version is being released in dedication to Black History Month The book includes information on different Kings and Queens throughout our African Heritage It is designed to teach knowledge through poetry that is why I call my books POETNOLOGY knowledge through poetry      **Eileen Chang: The Performativity of Self-Translation** Jessica Tsui-yan Li,2025-06-24 Eileen Chang The Performativity of Self Translation by Jessica Tsui-yan Li focuses on the self translation of Zhang Ailing Eileen Chang 1920 1995 one of the most important Chinese writers of the twentieth century Although self translation is overlooked in most studies of her work Chang's literary achievements are attributed in part to her lifelong self translation of her lived experiences and family sagas as well as her bilingualism This book enriches current studies of self translation by proposing a new hypothesis of theorizing self translation as a performative act characterized by its in betweenness and the aesthetic freedom that the self translator enjoys contextualized

within larger debates about translation and the specific practice of self translation in Chinese history in comparison to its Western counterpart

**Million-Dollar Love-Child** Sarah Morgan, 2006-11-01 Kimberley Townsend's little boy is in danger and the only person who can help is his father Brazilian billionaire Luc Santoro Luc doesn't know his son even exists and believes Kimberley to be a lying gold digger However he's prepared to give her the money provided she sleeps with him Only Kimberley's no longer the naive virgin he bedded years ago and she's about to make him lose control in ways he never imagined

**Lefebvre, Love and Struggle** Rob Shields, 2005-07-22 In the only comprehensive guide to Lefebvre's work Rob Shields draws on the full range of Lefebvre's writings including many previously untranslated and unpublished works and correspondence

**When Students Protest** Judith Bessant, Analicia Mejia Mesinas, Sarah Pickard, 2021-07-29 Student political action has

been a major and recurring feature of politics across the globe through the past century. Students have been involved in a full range of public issues from anti colonial movements, anti war campaigns, civil rights and pro democracy movements to campaigns against neoliberal policies, austerity, racism, misogyny and calls for climate change action. Yet student actions are frequently dismissed by political elites and others as adolescent mischief or manipulation of young people by duplicitous adults. This occurs even as many working in governments, traditional media and educational organisations attempt to suppress student movements. Much of mainstream scholarly work has also deemed student politics as undeserving of intellectual attention. These three edited volumes of books help set the record straight. Written by scholars and activists from around the world, *When Students Protest: Universities in the Global South* is the second in a three volume study that explores university student politics in the global south. The authors document and analyse how generations of university and college students in the Global South responded to issues such as problems in their own universities as well as standing up against violent military dictatorships, human rights abuses, oppressive poverty, foreign interference and the effects of neoliberal austerity regimes. Contributors to this volume also reveal repeated moves by states and institutions to stigmatise and suppress student political action while highlighting how those students developed new kinds of political action further demonstrating why this rich and complex global phenomena is worthy of more attention.

**A Word on the Revised Version of the New Testament** William Gilson Humphry, 1881

**The Hidden Isaac** Bashevis Singer Seth L. Wolitz, 2013-12-06 Nobel Prize winning author Isaac Bashevis Singer stands virtually alone among prominent writers for being more widely known through translations of his work than through the original texts. Yet readers and critics of the Yiddish originals have long pointed out that the English versions are generally shortened, often shorn of much description and religious matter and their perspectives and denouements are significantly altered. In short they turn the Yiddish author into a Jewish American English writer detached from his Eastern European Jewish literary and cultural roots. By contrast this collection of essays by leading Yiddish scholars seeks to recover the authentic voice and vision of the writer known to his Yiddish readers as Yitskhok Bashevis. The essays are grouped around four themes: The Yiddish language and the Yiddish cultural experience in Bashevis's writings; Thematic approaches to the study of Bashevis's literature; Bashevis's interface with other times and cultures; Interpretations of Bashevis's autobiographical writings. A special feature of this volume is the inclusion of Joseph Sherman's new faithful translation of a chapter from Bashevis's Yiddish underworld novel *Yarme* and Keyle.

**The Protestant's Protest Against the Catholic Claims**, 1826

**Religion, War, and Ethics** Gregory M. Reichberg, Henrik Syse, 2014-05-26 This volume offers a comprehensive selection of texts from the world's major religions on the ethical dimensions of war and armed conflict. Despite a considerable rise of interest in Eastern and Western religious teachings on issues of war and peace, the principal texts in which these teachings are expounded have in most cases remained inaccessible to all but a handful of specialists. This is especially true of traditions such as Islam, Buddhism and

Judaism where the key authoritative treatments are often embedded in texts e g Koranic jurisprudence religious epics or Talmudic commentary that are not overtly about matters pertaining to the ethics of war thus requiring a difficult process of interpretation and selection and for which English translations frequently do not exist Topical and timely for today s debates in the public arena and essential reading for students of religious ethics and the relationship between religion and politics this book aims to give the reader a proper knowledge of the textual traditions that inform the key struggles over issues of peace and security identity and land

**Married Love** Marie Carmichael Stopes, 2015-01-30 Example in this ebook In this little book Dr Marie Stopes deals with subjects which are generally regarded as too sacred for an entirely frank treatment Some earnest and delicate minds may feel apprehensive that such frankness in details is dangerous because the effect on prurient minds might be to give them food for their morbid fancies It is just such a fear which has been largely responsible for the silence and mystery which have for so long been wrapped round the sacred rites of mating The question now is Has this reticence been carried too far Has it been carried so far that it now tends to defeat its purpose of safeguarding public morals There are many who unhesitatingly answer such questions in the affirmative Their intimate knowledge of human lives compels them to recognise that at least as much harm is done by silence as by speaking out Everything depends on how the matter is presented Those who are shocked at the publication of such a book as this on the ground that it gives material for impure minds to sport with need only reflect that such material is already amply provided in certain comic papers in hosts of inferior novels too often on the stage and film and presented thus in coarse and demoralising guise It can do nothing but good to such minds to meet the facts they are already so familiar with in a totally new light On the other hand there are all the earnest and noble young minds who seek to know what responsibilities they are taking on themselves when they marry and how they may best meet these responsibilities How few of them have more than the vaguest ideas on the subject How few of them know how or where to obtain the help they desire They recoil from the coarse and impure sources of information which are so accessible and they hesitate to approach those they have learned to regard as virtuous and modest realising that from such they will receive so little actual information and that so veiled as to be almost useless Dr Stopes has attempted to meet the need of such seekers and her book will certainly be warmly welcomed by them It is calculated to prevent many of those mistakes which wreck the happiness of countless lovers as soon as they are actually married If it did no more than this it would be valuable indeed But there is an even more important aspect to be considered the effect on the child In all civilised lands there is a growing sense of responsibility towards the young The problems of their physical and mental nurture attract more and more attention day by day Eugenists educationists physicians politicians philanthropists and even ordinary parents discuss and ponder ponder and discuss matters both great and small which have a bearing on the development of the child By common consent the first seven years of life are regarded as the most critical It is during these years that the foundations of the personality to be are laid well and truly or otherwise It is during these years that the

deepest and most ineradicable impressions are made in the plastic constitution of the child arresting or developing this or the other instinctive trend and fixing it often for life And it is during these years above all that the parents play the most important role in the inner history of the child s life not so much by anything they directly teach through verbal exhortations warnings or commands as by those subtler influences which are conveyed in gesture tone and facial expression The younger the child the more is it influenced through these more primitive modes of expression and quite as much when they are not directed towards itself but are employed by the parents in their intimate relations with one another in the presence of their apparently unobserving child the infant in its cot the toddling baby by the hearth the little child to all appearance absorbed in its picture book or toy To be continue in this ebook
