King, 2013-06-25 Bizarre compelling terrifying and authentic true crime stories of murder and mayhem In these pages you will find a story about a tormented serial killer and how he resorted to cannibalism a female celebrity s fan who had an obsession to murder her torture murders crimes of passion among many others chilling crimes that could only be perpetrated by the twisted minds and gruesome obsessions of coldblooded killers the stuff that horror movies and novels are made of brought to you from the vault of bestselling true crime author and serial killer expert Gary C King There are 15 terrifying heart pounding stories in all guaranteed to keep you awake and your doors locked as only King the Master of True Crime can write them

BLOOD LUST Gary C. King, 2011-06-01 The 16 year old was lucky She at least survived her encounter with Dayton Leroy Rogers to detail its horrors But a long list of other women were not as fortunate Their stories had to be painstakingly pieced together by police from the corpses on the most shocking trail of terror ever left by a serial killer The Man Who Loved to Kill Women Dayton Leroy Rogers was known in Portland Oregon as a respected businessman and devoted husband and father But at night he abducted women forced them into sadistic bondage games and thrilled in their pain terror and mutilation His murderous spree was stopped only after in plain view he slashed to death his final victim and when a hunter accidentally stumbled onto the burial grounds of seven other women Rogers had killed one by one in the depths of the Molalla Forest did police realize they were dealing with a killer whose bloodlust knew no bounds This is the shocking true story of the horrifying crimes capture and conviction of Dayton Leroy Rogers Oregon s mild mannered businessman by day vicious serial killer by night

Without Conscience Robert D. Hare, 1999-01-08 Most people are both repelled and intrigued by the images of cold blooded conscienceless murderers that increasingly populate our movies television programs and newspaper headlines With their flagrant criminal violation of society s rules serial killers like Ted Bundy and John Wayne Gacy are among the most dramatic examples of the psychopath Individuals with this personality disorder are fully aware of the consequences of their actions and know the difference between right and wrong yet they are terrifyingly self centered remorseless and unable to care about the feelings of others Perhaps most frightening they often seem completely normal to unsuspecting targets and they do not always ply their trade by killing Presenting a compelling portrait of these dangerous men and women based on 25 years of distinguished scientific research Dr Robert D Hare vividly describes a world of con artists hustlers rapists and other predators who charm lie and manipulate their way through life Are psychopaths mad or simply bad How can they be recognized And how can we protect ourselves This book provides solid information and surprising insights for anyone seeking to understand this devastating condition

Driven To Kill Gary C. King, 2011-07-30 The true crime story of sex killer Westley Allan Dodd his victims were too small to fight and too young to die Includes eyewitness execution report By all appearances twenty nine year old Westley Allan Dodd was the perfect all American boy model high school student camp counselor and U S Navy enlistee But behind his mask of normalcy

lurked a predatory sex fiend with a seventeen year history of appalling acts of molestation and violence Children were his victims and the parks of the Pacific Northwest his personal hunting grounds On September 4 1989 his unnatural desires had driven him past simple satisfaction to abduct torture and kill two young boys in Vancouver Washington Undetected despite his record Dodd killed a third innocent victim only weeks later near Portland Oregon But only when he was caught trying to kidnap a child from a local movie theater was he finally taken into custody by police Confessing to these heinous murders he was convicted on all three counts and sentenced to death Based on exclusive access to police files and riveting trial testimony personal interviews with Dodd himself and excerpts from his chilling diary of death Driven to Kill dramatically recounts a hideous spree of death and horror that brought every parent s worst nightmare frighteningly to life Horrific This story will leave you gasping True crime author Jack Olsen **The Brandywine Game** Robert A. Liston, 2011-05-02 Rogers was dead Khrushenko was dead Only Sloane survived and the secret that was to have died with him in the little shop in Munich The defector had said that he could identify the mole the Soviet agent who sat on the Committee the group that ran the Agency That s what Khrushenko said but Sloane couldn t even be certain they existed But too much had gone wrong too many times for him to doubt that the mole was real And just maybe he knew who it was knew more than the code name Parsley But could he live long enough to do something with the information The mole was in a position to use both American and Russian agents to get at Sloane and he was taking advantage of that All Sloane had on his side was a vacationing political science instructor Freddie Falscape and a finely honed tradecraft Finally the woman was willing to help Now it was a matter of time
