Precious Perversions Tison Pugh, 2016-03-21

The tragic sentiment of Southern literature and its heteronormative perspective are foundational attributes generally accepted by both popular and scholarly audiences. Yet a pantheon of great authors ranging from like Tennessee Williams, Carson McCullers, and Truman Capote to present-day voices of Alice Walker, John Waters, and David Sedaris collectively attest to both the vibrancy of queer experience and the prevalence of humor found in this rich regional canon. In Precious Perversions: Humor, Homosexuality, and the Southern Literary Canon, Tison Pugh challenges the premises that elevate William Faulkner and diminish Florence King, that esteem Walker Percy yet marginalize David Sedaris by arguing for the inclusion of gay comic authors as long-standing defining voices in the field. By redefining the tenets of Southern literature, Pugh reveals long-overlooked or discounted aspects of gay humor within the South's literary realm. Noting, for example, that Tennessee Williams is revered as a dramatist who probes the heart of the human condition rather than for his submerged camp humor, and Truman Capote's comic cinema and literature never eclipsed serious works, Pugh establishes a history of mainstream and academic critique that ignored queer humor. Likewise, Florence King and Rita Mae Brown wrote defining narratives of Southern lesbian experience in, respectively, *Confessions of a Failed Southern Lady* and *Rubyfruit Jungle*, yet according to Pugh, they are almost entirely neglected in accounts of the literary South. More recently, the author shows the critical reception of Dorothy Allison's *Bastard Out of Carolina* testifies to an overarching interest in the traumatic aspects of her poetry and fiction rather than in her humor and its cathartic power. Pugh also asserts that David Sedaris, as a writer of the post-Southern South who appears to fall beyond the parameters of regional literature for many readers, creates a new humorous vision of the region that recognizes both its pained history and its grudging accession to modernity. Drawing from works of key southern writers, Pugh sets forth a new vision of Southern literature emerges, one illuminated by the humor of gay voices no longer at the margins.

The author brings together a generous selection derived from her many literary gems in which she illustrates her groundbreaking and sometimes explosive studies of female sexuality and perversions: perverse transference, malignant bonding, perverse motherhood, and the impact upon children of viewing domestic violence. Along with these are vivid descriptions of group analytic psychotherapy with forensic patients and uniquely of the joint group treatment of incest survivors and perpetrators. She also outlines the development of forensic psychotherapy as a new field of clinical

and academic endeavour and her involvement in this In a series of interviews with Brett Kahr she describes her professional journey from being trained by Horacio Etchegoyen in her native Argentina followed by an eye opening period at the Menninger Clinic then eventually to London and a distinguished career at the Portman Clinic **With Mortal Voice** John T. Shawcross, 2014-07-15 More often than not critics have looked upon Milton's great epic not as a literary work but rather as a theological tract or a display of Renaissance learning In this book John Shawcross seeks to redress that critical imbalance by examining the poem for its literary values In doing so he reveals the scope and depth of Milton's poetic craftsmanship in his control of such elements as structure myth style and language and he offers new approaches to reading *Paradise Lost* as a literary masterpiece rather than a relic of religious history Symbolism in Medieval Thought and Its Consummation in the Divine Comedy Helen Flanders Dunbar, 1929 **The Philosophy of Sex** Raja Halwani, Alan Soble, Sarah Hoffman, Jacob M.
