InfoWorld, 1984-06-18 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects **The Sacred in Fantastic Fandom** Carole M. Cusack, John W. Morehead, Venetia Laura Delano Robertson, 2019-05-07 To the casual observer similarities between fan communities and religious believers are difficult to find Religion is traditional institutional and serious whereas fandom is contemporary individualistic and fun Can the robes of nuns and priests be compared to cosplay outfits of Jedi Knights and anime characters Can travelling to fan conventions be understood as pilgrimages to the shrines of saints These new essays investigate fan activities connected to books film and online games such as Harry Potter themed weddings using *The Hobbit* as a sacred text and taking on heroic roles in World of Warcraft Young Muslim women cosplayers are brought into conversation with Chaos magicians who use pop culture tropes and characters A range of canonical texts such as Supernatural Buffy the Vampire Slayer and Sherlock are examined in terms of the pleasure and enchantment of repeated viewing Popular culture is revealed to be a fertile source of religious and spiritual creativity in the contemporary world

Guidelines for Leading Your Congregation 2013-2016 - Small Group Ministries Steven W. Manskar, 2012-11 All small groups in the local church are or could be places of faith formation and disciple making By offering a more intimate setting small groups of every kind are uniquely able to welcome and nurture people in the church and in the faith This guideline is designed to help implement and guide the work of the ministry area This is one of the twenty six Guidelines that cover church leadership areas including Church Council and Small Membership Church the administrative areas of Finance and Trustees and ministry areas focused on nurture outreach and witness including Worship Evangelism Pure Lands in Asian Texts and Contexts Georgios T. Halkias, Richard K. Payne, 2019-03-31 This diverse anthology of original Buddhist texts in translation provides a historical and conceptual framework that will transform contemporary scholarship on Pure Land Buddhism and instigate its recognition as an essential field of Buddhist studies Traditional and contemporary primary sources carefully selected from Buddhist cultures across historical geopolitical and literary boundaries are organized by genre rather than chronologically geographically or by religious lineage a novel juxtaposition that reveals their wider importance in fresh contexts Together these fundamental texts from different Asian traditions expertly translated by eminent and up and coming scholars illustrate that the Buddhism of pure lands is not just an East Asian cult or a marginal type of Buddhism but a pan Asian and deeply entrenched religious phenomenon The volume is organized into six parts Ritual Practices Contemplative Visualizations Doctrinal Expositions Life Writing and Poetry Ethical and Aesthetic Explications and Worlds beyond Sukhavat Each part is introduced and summarized and each translated piece is prefaced by its translator to supply historical and sectarian context as well as insight into the significance of the work Common and less common issues of practice doctrine and intra religious transfer are explored and deeper understandings of the meaning of pure lands are

gained through the study of the celestial cosmological internal and earthly pure lands associated with various buddhas bodhisattvas and devotional figures The introduction by the volume editors ties the diverse themes of the book together and provides a historical background to Pure Land Buddhist studies Scholars of Buddhism and Asian religion including graduate and post graduate students as well as Buddhist practitioners will appreciate the range of translated materials and accompanied discussions made accessible in one essential collection the first of its kind to center on the formerly neglected topic of Buddhist pure lands

The Cultural Analysis of Texts Mikko Lehtonen, 2000-09-05 Drawing upon a range of perspectives from textual and cultural studies this book synthesizes textual contextual and audience analysis into an overall picture of meaning making Using examples ranging from Balzac to blonde jokes modernist poetry to pop lyrics the book discusses the factors that contribute to the formation of meaning language media texts contexts and readers In the cultural study of texts texts contexts and practices are equally important the author argues Meaning making takes place in the articulation between these different elements But how can one examine all three areas at the same time In The Cultural Analysis of Texts Mikko Lehtonen develops a model to enable just such an approach

Christology and Science F. LeRon Shults, 2021-11-18 The dialogue between theology and science has blossomed in recent decades but particular beliefs about Jesus Christ have not often been brought to the forefront of this interdisciplinary discussion even in explicitly Christian contexts This book breaks new ground by explicitly bringing the specific themes of Christology into dialogue with contemporary science It engages recent developments in late modern philosophy of science in order to articulate the Christian beliefs about Jesus Christ in a way that responds to challenges and opportunities that have arisen in light of various scientific discoveries The main chapters deal with Incarnation Atonement and Parousia After a brief treatment of the history of the shaping of these ideas the author traces developments in some of the sciences that have challenged these formulations evolutionary biology cultural anthropology and physical cosmology Each chapter also summarises some of the popular constructive responses to these developments After clarifying the way in which the Christian understanding of God and of humanity shape the task of reforming Christology each chapter concludes with a programmatic outline of ways in which we might articulate the identity agency and presence of Jesus Christ in dialogue with late modern science and culture
