Lovers Guide Interactive Dvd

Daniel Herbert

Lovers Guide Interactive Dvd:

Videoland Daniel Herbert, 2014-01-24 Videoland offers a comprehensive view of the tangible phase of consumer video when Americans largely accessed movies as material commodities at video rental stores. Video stores served as a vital locus of movie culture from the early 1980s until the early 2000s, changing the way Americans socialized around movies and collectively made movies meaningful. When films became tangible as magnetic tapes and plastic discs, movie culture flowed out from the theater and the living room entered the public retail space and became conflated with shopping and salesmanship. In this process, video stores served as a crucial embodiment of movie culture's historical move toward increased flexibility, adaptability, and customization. In addition to charting the historical rise and fall of the rental industry, Herbert explores the architectural design of video stores, the social dynamics of retail encounters, the video distribution industry, the proliferation of video recommendation guides, and the often surprising persistence of the video store as an adaptable social space of consumer culture. Drawing on ethnographic fieldwork, cultural geography, and archival research, Videoland provides a wide-ranging exploration of the pivotal role video stores played in the history of motion pictures and is a must-read for students and scholars of media history.

[TLA Video & DVD Guide 2004](#) David Bleiler, 2014-04-08 The TLA Film Video and DVD Guide 2004 is the absolutely indispensable guide to worthwhile cinema. It includes over 10,000 entries on the best of film and video that a real film lover might actually want to see. Unlike some of the other mass market guides that tend to be clogged with unenlightening entries on even more unenlightening films, TLA focuses on independent foreign as well as the best of Hollywood to bring the cineaste an opinionated guide that is both fun to read and easy to use. The guide includes Reviews of more than 10,000 entries. Four detailed indexes by star, director, country of origin, and theme. More than 300 photos throughout. A listing of all the major film awards of the past quarter century as well as TLA Bests and recommended films. A comprehensive selection of cinema from over 50 countries. From one of the finest names in video retailing and a growing rental chain comes the latest edition of one of the most respected film video and DVD guides. The TLA Film Video and DVD Guide is perfect for anyone with an eclectic taste in cinema.
