

A romantic scene of a couple kissing in a field. The woman on the left has long, wavy brown hair and is wearing a light-colored top. The man on the right has dark hair and is wearing a dark shirt. They are both smiling and looking at each other. The background shows a lush green field under a blue sky with white clouds. There are trees and bushes in the distance.

Loves Me Loves Me Not Roman Lesbien Livre Lesbien:

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Encyclopedia of Lesbian Histories and Cultures Bonnie Zimmerman, 2013-08-21 Volume one of this two volume set focuses on lesbian history and culture beginning in 1869 when the study of homosexuality was said to have begun with the establishment of sexology It is intended as a reference for students and scholars in many fields as well as the general public

Lesbian Histories and Cultures Bonnie Zimmerman, 2000 To reflect this crucial fact The Encyclopedia of Lesbian and Gay Histories and Cultures has been prepared in two separate volumes to assure that both histories receive full unbiased attention and that a broad range of human experience is covered

BOOK JACKET The Language of Sex John W. Baldwin, 2015-02-21 This study brings together widely divergent discourses to fashion a comprehensive picture of sexual language and attitudes at a particular time and place in the medieval world John Baldwin introduces five representative voices from the turn of the twelfth century in northern France Pierre the Chanter speaks for the theological doctrine of Augustine the Prose Salernitan Questions for the medical theories of Galen Andre the Chaplain for the Ovidian literature of the schools Jean Renart for the contemporary romances and Jean Bodel for the emerging voices of the fabliaux Baldwin juxtaposes their views on a range of essential subjects including social position the sexual body desire and act and procreation The result is a fascinating dialogue of how they agreed or disagreed with ignored imitated or responded to each other at a critical moment in the development of European ideas about sexual desire fulfillment morality and gender These spokesmen allow us into the discussion of sexuality inside the church and schools of the clergy in high and popular culture of the leity This heterogeneous discussion also offers a startling glimpse into the construction of gender specific to this moment when men and women enjoyed equal status in sexual matters if nowhere else Taken together these voices extend their reach encompass their subject and point to a center where social
