Uncle Tom's Cabin as Quakerism has been historically associated with progressive attitudes and the advancement of social justice. With the rise in recent years of the Christian romance market dominated by American Evangelical companies, there has been a renewed interest in fictional Quakers. In the historical Quaker romances analyzed in this book, Quaker heroines often devote time to spiritual considerations, advocate the sanctity of marriage, and promote traditional family values. However, their concern with social justice also leads them to engage in subversive behavior and to question the status quo, as illustrated by heroines who are active on the Underground Railroad or are seen organizing the Seneca Falls convention. Though relatively liberal in terms of gender, Quaker romances are considerably less progressive when it comes to race relations. Thus, they reflect America's conflicted relationship with its history of race and gender abuse and the country's tendency to both resist and advocate social change. Ultimately, Quaker romances reinforce the myth of America as a White and Christian nation, here embodied by the Quaker heroine, the all-powerful savior who rescues Native Americans, African Americans, and Jews while conquering the hero's heart.

Her America Susan Glaspell,2010-07 One of the preeminent authors of the early twentieth century Susan Glaspell 1876 1948 produced fourteen ground breaking plays nine novels and more than fifty short stories Her work was popular and critically acclaimed during her lifetime with her novels appearing on best seller lists and her stories published in major magazines and in The Best American Short Stories Many of her short works display her remarkable abilities as a humorist satirizing cultural conventions and the narrowness of small town life And yet they also

evoke serious questions relevant as much today as during Glaspell's lifetime about society's values and priorities and about the individual search for self fulfillment. While the classic *A Jury of Her Peers* has been widely anthologized in the last several decades, the other stories Glaspell wrote between 1915 and 1925 have not been available since their original appearance. This new collection reprints *A Jury of Her Peers*, restoring its original ending and brings to light eleven other outstanding stories offering modern readers the chance to appreciate the full range of Glaspell's literary skills. Glaspell was part of a generation of midwestern writers and artists including Sherwood Anderson, Sinclair Lewis, Willa Cather, and F. Scott Fitzgerald who migrated first to Chicago and then east to New York. Like these other writers, she retained a deep love for and a deep ambivalence about her native region. She parodied its provincialism and narrow mindedness but she also celebrated its pioneering and agricultural traditions and its unpretentious values. Witty, gently humorous, satiric, provocative, and moving, the stories in this timely collection run the gamut from acerbic to laugh out loud funny to thought provoking. In addition, at least five of them provide background to and thematic comparisons with Glaspell's innovative plays that will be useful to dramatic teachers, students, and producers. With its thoughtful introduction by two widely published Glaspell scholars, *Her America* marks an important contribution to the ongoing critical and scholarly efforts to return Glaspell to her former preeminence as a major writer. The universality and relevance of her work to political and social issues that continue to preoccupy American discourse—free speech, ethics, civic justice, immigration, adoption, and gender—establish her as a direct descendant of the American tradition of short fiction derived from Hawthorne, Poe, and Twain.

Gardening in the Heartland Rachel Snyder, 1991. Snyder focuses exclusively on Midwestern garden problems and prescribes simple, effective remedies. She explains different gardening techniques and offers advice, hints for growing annuals and perennials, tricks for cultivating beautiful roses, and keeping the beautiful year after year up to the minute tips on the kinds of vegetables ready made for the region and a list of fruits that will grow in the Midwest without a fight.

Taboo Susan Johnson, 2010-06-02. Through eleven nationally bestselling books, award winner Susan Johnson has won a legion of fans for her lushly romantic historical novels. Now she delivers her most thrilling tale yet: a searing blend of rousing adventure and wild forbidden love. Married against her will to the brutal Russian general who conquered her people, Countess Teo Korsakova has never known what it means to want a man until now. Trapped behind enemy lines, held captive by her husband's most formidable foe, she should fear for her life. But all Teo feels in General Andre Duras's shattering presence is breathless passion. France's most victorious commander, Andre knows that he should do the honorable thing, knows too that on the eve of battle he cannot afford so luscious a distraction. Yet something about Teo lures him to do the unthinkable to seduce his enemy's wife and to let himself love a woman who can never be his.

The Road to the Temple Susan Glaspell, 2005-02-08. Eugene O'Neill is one of America's most celebrated playwrights, but relatively few Americans know the name of the man who essentially gave O'Neill his first chance at greatness. George Cram Jig Cook, one of America's most colorful and original thinkers and the founder of the Provincetown

Players the first company to stage O'Neill's story with all its hopes, dreams and disappointments is told in *The Road to the Temple*, first published in 1927 in the United States and reprinted in 1941. This biography is the work of O'Neill's third wife, Pulitzer Prize-winning playwright Susan Glaspell. It traces O'Neill's lifelong search for self—a search that took him from his birthplace in Davenport, Iowa, to New York to Delphi, from university teaching and truck farming to the Provincetown Players to the antiquity of Greece. Part of Jig's story is told by excerpts from his journals, pictures, poetry, and fiction. Interwoven with narrative flashbacks, these entries concerning his day-to-day activities as well as his thoughts and feelings bring him to life for the reader. In addition, Glaspell offers finely crafted portraits of the American Midwest in the late nineteenth century, a vivid picture of Greenwich Village between 1910 and 1920, and a moving and lyrical account of the life she and Jig lived in Greece, where Jig died on January 11, 1924. A compelling combination of biography and autobiography, this volume presents a unique and personal picture of a fascinating American original.

Mike Nichols and the Cinema of Transformation J.W. Whitehead, 2014-05-21 Mike Nichols burst onto the American cultural scene in the late 1950s as one half of the comic cabaret team of Nichols and May. He became a Broadway directing sensation, then moved on to Hollywood, where his first two films, *Who's Afraid of Virginia Woolf?* (1966) and *The Graduate* (1967), earned a total of 20 Academy Award nominations. Nichols won the 1968 Oscar for Best Director and later joined the rarefied EGOT (Emmy, Grammy, Oscar, Tony) club. He made many other American cinematic classics, including *Catch 22* (1970), *Carnal Knowledge* (1971), *Silkwood* (1983), *Working Girl* (1988), *Postcards from the Edge* (1990), and his late masterpieces for HBO, *Wit* (2001) and *Angels in America* (2003). Filmmakers like Steven Spielberg and Steven Soderbergh regard him with reverence. This first full career retrospective study of this protean force in the American arts begins with the roots of his filmmaking in satirical comedy and Broadway theatre and devotes separate chapters to each of his 20 feature films. Nichols' permanent achievements are his critique of the ways in which culture constructs conformity and his tempered optimism about individuals' liberation by transformative awakening.

Temporary Mistress Susan Johnson, 2009-12-16 The Tattler April 1802 It wouldn't surprise you, gentle readers, to learn that Dermott Ramsay, the earl of Bathurst and favorite of all ladies married or otherwise, has a new paramour. What may surprise you is her name. For she is none other than Isabella Leslie, the same beauty of the sizable inheritance who prefers not the ton but books, maps, and the family shipping business. You may wonder how a picture of innocence ended up in the arms of a libertine. Truth to tell, Isabella had to flee from her scheming relatives in the rain-soaked night and seek refuge in London's most infamous brothel. There, with the help of the madam, she devised an unorthodox plan to escape a dreaded marriage bed. She would simply have to become unmarried—even if it meant public ruin. And who better to utterly ruin her in a mere week than a handsome rake famous for seductive skills? But gossip has it that Dermott may be developing a *tendre* for his temporary mistress. It makes for the most delicious speculation, does it not? For if it indeed is the case, what will happen when their week of pleasure is over? We urge you, dear readers, to do as we do: follow the affair closely and with every hope that it will turn into
