## **Kundun Study Guide Answers:**

**China and Orientalism** Daniel Vukovich,2013-06-17 This book argues that there is a new Sinological form of orientalism at work in the world It has shifted from a logic of essential difference to one of sameness or general equivalence China is now in a halting but inevitable process of becoming the same as the USA and the West Orientalism is now closer to the cultural logic of capitalism even as it shows the afterlives of colonial discourse This shift reflects our era of increasing globalization the migration of orientalism to area studies and the pax Americana the liberal triumph at the end of history and the demonization of Maoism an ever closer Sino West relationship and the overlapping of anti communist and colonial discourses To make the case for this re constitution of orientalism this work offers an inter disciplinary analysis of the China field broadly defined Vukovich takes on specialist work on the politics governance and history of the Mao and reform eras from the Great Leap Forward to Tiananmen 1989 the Western study of Chinese film recent work in critical theory which turns on the China reference and other global texts about or from China Through extensive analysis the production of Sinological knowledge is shown to be of a piece with Western global intellectual political culture This work will be of great interest to scholars of Asian postcolonial and cultural studies
