Longman Academic Reading Series 5 SB with Essential Online Resources Lorraine Smith, Lorraine C.

Smith, 2017-08-17 The Longman Academic Reading Series is a five level series that prepares English language learners for academic work. The aim of the series is to make students more effective and confident readers by providing high interest readings on academic subjects and by teaching them skills and strategies for effective reading vocabulary building note taking and critical thinking. The series also encourages students to discuss and write about the ideas they discovered in the readings making them better speakers and writers of English as well. Publisher description

Longman Academic Reading Series: (Valuepack Access Card) Lorraine C. Smith, 2014-12-03 **One-on-One Language Teaching and Learning** T. Bleistein, M. Lewis, 2014-11-25 With only one learner it is possible for the teacher to give serious attention to

principles of second language acquisition such as motivation error treatment and learner autonomy which are more difficult to address in classroom learning. This book combines theory with practical suggestions making it invaluable for language tutors. *Longman Academic Reading Series 4 Sb with Online Resources* Robert Cohen, Judith Miller, 2016-09-16

Longman Academic Reading Elizabeth Bottcher, 2016-09-16 The Longman Academic Reading Series is a five level series that prepares English language learners for academic work. High interest readings cover a variety of subjects including art history nutrition American literature and forensics. The series takes a holistic approach to the skills and strategies necessary for effective reading vocabulary building note taking and critical thinking. By encouraging students to discuss and write about the ideas covered in the readings the series helps them become better speakers and writers of English. Highlights: Rigorous sophisticated and comprehensive readings are based on academic sources each carefully designed to provide different and intriguing perspectives on a theme. Readings come from a variety of sources and genres: textbooks newspapers magazines online articles and are written by experts in widely different fields. A corpus informed approach to vocabulary helps students build vocabulary and acquire skills to become more confident in preparing for academic work. New Essential Online Resources include reading comprehension activities reading faster activities teacher's manual and assessments and audio of the readings. Level 5 only has audio of the readings. Way, 2016-09-20 Focused Biblical Scholarship to Teach the Text The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text The newest Old Testament release in this innovative commentary series is Kenneth C Way's treatment of Judges and Ruth *Scripture and Theology* Tomas Bokedal, Ludger Jansen, Michael Borowski, 2023-08-21 The academic disciplines of Biblical Studies and Systematic Theology were long closely linked to one another However in the modern period they became gradually separated which led to increasing subject specialization but also to a lamentable lacuna within the various branches of Divinity As the lack of dialogue between Biblical Studies and the various theological disciplines increased a minority group of scholars in the past few decades reacted and sought to re-establish the time honoured bonds between the disciplines The present volume is part of this intellectual response with contributions from scholars of various professional and denominational backgrounds Together the book's 25 chapters seek to reinvigorate the crucial cross

disciplinary dialogue involving biblical narrative historical systematic theological and philosophic theological perspectives The book opens the horizon to contemporary research and fills a lamentable research gap with a number of fresh contributions from scholars in the respective sub disciplines Working with Academic Literacies Theresa Lillis,Kathy Harrington,2015-11-04 The editors and contributors to this collection explore what it means to adopt an academic literacies approach in policy and pedagogy Transformative practice is illustrated through case studies and critical commentaries from teacher researchers working in a range of higher education contexts from undergraduate to postgraduate levels across disciplines and spanning geopolitical regions including Australia Brazil Canada Catalu a Finland France Ireland Portugal South Africa the United Kingdom and the United States **IELTS Collected Papers 2** Lynda B. Taylor,Lynda Taylor,Cyril J. Weir,2012-02-23 This volume reports research that informs the development of reading and listening assessment in IELTS This volume brings together a set of eight IELTS related research studies four on reading and four on listening conducted between 2005 and 2010 Findings from these studies provide valuable evidence on the validity reliability impact and practicality of the IELTS test they are also instrumental in highlighting aspects needing attention and thus directly inform the continuing evolution of the IELTS reading and listening tests The volume reviews and comments on the specific contribution of each study to the ongoing process of IELTS reading and listening test design and development Eucharist as a Celebration of Forgiveness Francis J. Moloney, SDB,2017 An in depth study of the history and theology of the Eucharist as primarily a celebration of forgiveness rather than as a tool for exclusion and the ethical consequences that arise from such a study *Handbook of Reading Disability Research* Anne McGill-Franzen,Richard Allington,2010-09-17 Bringing together a wide range of research on reading disabilities this comprehensive Handbook extends current discussion and thinking beyond a narrowly defined psychometric perspective Emphasizing that learning to read proficiently is a long term developmental process involving many interventions of various kinds all keyed to individual developmental needs it addresses traditional questions What is the nature or causes of reading disabilities How are reading disabilities assessed How should reading disabilities be remediated To what extent is remediation possible but from multiple or alternative perspectives Taking incursions into the broader research literature represented by linguistic and anthropological paradigms as well as psychological and educational research the volume is on the front line in exploring the relation of reading disability to learning and language to poverty and prejudice and to instruction and schooling The editors and authors are distinguished scholars with extensive research experience and publication records and numerous honors and awards from professional organizations representing the range of disciplines in the field of reading disabilities Throughout their contributions are contextualized within the framework of educators struggling to develop concrete instructional practices that meet the learning needs of the lowest achieving readers *Teaching English for Academic Purposes* Ece Zehir Topkaya,Handan Celik,2024-12-01 This book offers a helpful resource for English for Academic Purposes EAP practitioners combining

theoretical content with in depth insights rooted in practice EAP has a key role in preparing students for academic challenges in English medium universities globally With the increasing need for proficiency in academic English there is a demand for a comprehensive resource that caters to instructors who are actively involved in or considering a career in the teaching of EAP This book addresses this need through five clear thematic sections the development of EAP practice and pedagogy creating effective EAP courses exploring linguistic issues language skills and EAP instruction issues in assessment of learning and practice in EAP and current perspectives in EAP The volume features contributions from experts with extensive EAP teaching experience research backgrounds and scholarly publications By drawing on their theoretical understanding and practical insights the book will equip ELT professionals with essential knowledge strategies and practical approaches to tailor their instruction to the unique needs of EAP learners It will also be of interest to teacher educators students and academics researching language teaching in English for Academic Purposes English for Specific Purposes and English Medium Instruction contexts
