Longo Lexus Service Team:

Automotive News, 2008 **On Great Service** Leonard L. Berry, 1995-04-01 Improving service quality has finally become a top priority of management today yet according to service quality expert Leonard Berry only a handful of companies have managed to determine exactly what to improve and how to improve it For the past two years Berry studied dozens of companies of all sizes renowned for their capacity to deliver what they promise and more From his on site observation of the strategies and practices of such companies as Mary Kay Cosmetics Tattered Cover Book Store Longo Toyota 2 build a service quality information system and 3 create a comprehensive service strategy based on the four principles of great service reliability surprise recovery and fairness He demonstrates how these four principles when adopted by the leadership and infused into the systems of a service company are the building blocks of the framework and form the anchor for implementation Berry shows how the artistry of great service can be systematically created from this foundation through a company s organizational structure technology and often under utilized human resources assets He challenges service managers to set their service quality aspirations higher and his innovative practical ideas will help them achieve those higher standards Linking service excellence to value creation Berry provides solid financial reasons for the necessity of great service Here at last is the book for which managers in every service industry have waited Leonard Berry s operating manual for turning plans for great service into action *International Directory of Company Histories* Thomas Derdak, Adele Hast, 1992 This reference text provides full histories of the world s largest and most influential companies and includes details of basic company statistics and principle subsidiaries This volume examines industries involved in retail rubber telecommunications textiles transportation and tobacco *Ward's Automotive Yearbook*, 2005 Includes advertising matter *International Directory of Company Histories* Tina Grant, Thomas Derdak, 1997-09 Multi volume major reference work bringing together histories of companies that are a leading influence in a particular industry or geographic location For students job candidates business executives historians and investors **NADA's AutoExec**, 2008 *Ward's Private Company Profiles* Jennifer A. Mast, 1993-12 Provides insight into 150 US private companies The directory contains articles from more than 150 sources including trade and professional journals business magazines newspapers investment reports and company brochures *The Lexus Story* Jonathan Mahler, 2004 When Lexus launched fifteen years ago the idea of a Japanese brand that would compete fender to fender with Mercedes Benz BMW and Cadillac seemed preposterous But Lexus first sedan shocked the world The result of hundreds of prototypes the work of more than 1 000 engineers and some 1 billion the Lexus LS 400 pioneered new ground Within just a few years Lexus had transformed itself from an unlikely outsider into one of the industry s leaders as it redefined the idea of the luxury vehicle while also building a dealer network that gave unprecedented attention to service The Lexus Story describes the brand s rapid ascent and its travails along the way The Lexus Story is the first journalistic telling of the history of this extraordinary company And it is the only account afforded full

access to the designers engineers dealers and company leaders who molded the cars and the brand The Lexus Story takes readers deep inside the making of first class automobiles from the creative sparks kindled in Lexus far flung design studios to the engineering refinements that translate ideals of performance and luxury into steel glass and rubber Designed to be both readable and visually welcoming with more than 200 full color photographs The Lexus Story is a compelling history of a world class brand
