**The Ten Commandments: Life Application of the Ten Commandments With Additional Chapters on Sin, Salvation, Prayer, and More** Thomas Watson, 2020-02-01 Whoever then annuls one of the least of these commandments and teaches others to do the same shall be called least in the kingdom of heaven but whoever keeps and teaches them he shall be called great in the kingdom of heaven Matthew 5:19 Every one of the Ten Commandments is relevant today Some think of these commandments as the Law of Moses now replaced by God's grace and mercy but a closer look reveals that we can't willfully break a single one of the commandments and live Every one of the commandments wholeheartedly obeyed will produce fruit of righteousness peace and spiritual prosperity Society says do whatever you want but a careful study and application of this set of life principles will provide boundless fruit for the righteous Originally written in the 1600s Thomas Watson's commentary on the Ten Commandments is as relevant today as it was then if not more so The text was carefully updated for modern readers with much care taken to convey the truth in Watson's writings in such a way that readers today can more easily understand his writing and as such more easily apply the truth to their own lives May the Lord God of heaven and earth bless you richly as you read and obey
