Reconstructing a Broken Life Jill Osterhout
M.A.,2019-04-22 The phone rings The door slams Suddenly a tragedy that happens to other people happened to me One minute of time sixty seconds that I will play over and over in my mind for the rest of my life one minute The kaleidoscope of my life which spun in beautiful tempo to cereal bowls toy trucks soccer balls and practice schedules began spinning way too fast Doors slamming and lights from emergency vehicles flashing Why can t I breathe I m the mom I can fix anything Why can t mommy fix this I want my life back I don t want to hear that Bobby is in a better place I don t want to hear that time will heal me I don t want my kitchen counters covered with casseroles I don t want to smile at the endless line of people awkwardly walking toward me saying phrases printed on sympathy cards although I appreciate their support I was a stranger in my own life I was simply breathing in and out to the rhythm of what others needed from me When I was unable to clear the fog that became my reality my FAITH carried me I decided that although my son was gone from this world he would not be gone in spirit Slowly I noticed a new version of myself starting to appear It was then that I decided to reconstruct my life after unspeakable loss

Homeless in High School Dennis S. Carroll,2013-08-28 Frightened by the fighting in their families two teenage lovers realize in Homeless in High School that theyre treated better by each others parents Hoping for improvement Marshall and Melissa switch their houses but discover further quarrels and disintegrating marriages Backed into a corner they mature in a hurry when they turn into the grown ups raising their adopted parents Hard headed and

precocious but believable they become the models of maturity that they can't find at home in many famous adolescent novels and in cultural struggles over teenage abstinence or promiscuity. They're befriended by a wise irreverent English teacher who admires in them what he has never witnessed in the so-called classics that he's taught for decades. Writing their own Declaration of Independence they confront demoralizing marriages and restore their families. They become relentless laying down conditions for returning home including mandatory counseling and an end to terrifying quarrels. Showing empathy and ingenuity they offer an example of maturity not only for their foster parents but also for teenagers. *Homeless in High School* is a cross between a novel and a screen play. It has the readability of a well-written novel but the energy of a first-rate film in 80 swiftly moving scenes. The reader will be hooked immediately as Marshall and Melissa switch their homes and find their foster parents totally bewildered to discover that they've been adopted by each other's children.

Pieces of a Girl

Stephanie Kuehnert, 2024-03-26 A raw and bold memoir about abuse and addiction and the power of expression and community that helped Stephanie Kuehnert, the author of *Ballads of Suburbia* and regular *Rookie* contributor, survive and thrive. Told in varied narrative styles including journal entries, original illustration, and pages torn from her actual diaries and zines, this is the memoir of Stephanie's life as a struggling outsider who survived substance and relationship abuse to become a strong young woman after years and years trapped in a cycle that sometimes seemed to have no escape.

Big Farmer

, 1931 **Introducing the Occult** Colin Stanley, 2022-12-09 An essential collection of some of his lesser-known writings, all of which display his remarkable gifts as a writer and thinker. Steve Taylor, PhD, author of *The Leap* and *Spiritual Science*. The late Colin Wilson wrote a staggering 180 introductions, forewords, prefaces, and afterwords to other authors' books. Soon after his now classic study *The Occult* appeared in 1971, he was constantly sought out by writers and publishers to endorse their work. He rarely refused. And as this volume reveals, these were not hurriedly written paragraphs relying largely on his name as an endorsement but often significant and substantial essays. *Introducing the Occult* brings together 17 of his best published introductions chosen by his bibliographer Colin Stanley. Within these covers, you can read Colin Wilson on magic, witchcraft, exorcism, ghosts, poltergeists, the Loch Ness Monster, the afterlife, dowsing, and much more.

An Astrological

Guide for Broken Hearts Silvia Zucca, 2019-07-09 NOW A NETFLIX ORIGINAL SERIES Frustrated at the path her life has taken, Alice decides to take control of her personal life using astrology as her guide in this quirky, steamy, and hilarious romantic comedy. Alice Bassi is a little over thirty, single, not by choice, and she can't help but feel that she is failing at this whole adulthood thing. She's stuck in a dead-end job, just found out her ex-boyfriend is engaged to his pregnant girlfriend, and Richard Gere hasn't shown up with flowers and a limo to save her from it all. On one particularly disastrous morning when Alice would much rather have stayed home curled up with her favorite rom-coms, she meets Davide Nardi. Handsome yet indecipherable, Davide would be the leading man of Alice's dreams if only he weren't the hatchet man brought in to help streamline production and personnel at the small television network she works for. In the midst of all this, Alice runs into Tio

an actor and astrology expert who is convinced he can turn her life around with a little help from the stars Skeptical but willing Alice decides to take Tio's advice and only date men whose Zodiac signs are compatible with hers Unfortunately it turns out that astrological affinity doesn't always guarantee a perfect match nor prevent a series of terrible dates disappointments and awkward surprises It also doesn't keep Davide from becoming more attractive every day Perfect for fans of Bridget Jones's Diary and Star Crossed An Astrological Guide for Broken Hearts is a witty sexy and relatable portrait of a modern woman's search for love and a dream job only to discover that your destiny isn't always written in the stars
