## **Lost Souls The Danger Of Losing Sight Of God:**

**Lost Souls** Peter Russell-Yarde, 2014-12-01 The interpretation of scripture must never be taken lightly especially when someone respects your biblical teaching ability Such was the case when a respected friend asked me the meaning of a particular verse from Romans with particular reference to the Jewish nation My off the cuff explanation was not accepted which meant that I needed to do some research in order to provide a more detailed explanation that would satisfy my very knowledgeable friend Being a Christian writer the more I researched the more I realised that the explanation would end up being so lengthy that it could easily be made into a book that might be of assistance to others Also the subject matter was of great importance because it is just as important to learn from other peoples mistakes as it is from our own There is always a danger of losing sight of God if we are pig headed enough to believe we are right when if we took time to think about things we might realise we are either not completely right or definitely and totally wrong God is always willing to teach us and lead us into all truth but that requires us to be willing to listen to what He has to say through His word or through what others have to say Pride and total belief in what we understand to be the truth can make us very deaf to what God trying to tell us This explanation of Romans 11 8 may be lengthy but hopefully it provides a clear and unambiguous understanding of what it means

*The Origin of Life* Peter Russell-Yarde, 2025-09-01 The awesomeness of God is here displayed His omnipotence and omniscience His power over the environment and people and nations is revealed throughout the Bible which tells us that He is well able to correct the problem of global warming for the Bible also tells us that the earth still has life in it but first man must acknowledge Him as its creator and give Him the honour due to His name Genesis also tells us about the lives of those that believed in God and how He got involved in their lives particularly Joseph who was put through some harsh training before he was promoted to being second only to the Egyptian Pharaoh Genesis tells us that God is entirely spiritual for in the beginning only He existed in infinite space which meant that He was and is omnipresent He did not need to create the world and universe but He did so because He wanted to love someone else He created man as the pinnacle of His creation with love and breathed into man's nostrils the breath of His Spirit so that man also had spirit within him so that God could communicate with him

*A Fresh Look at Easter* Peter Russell-Yarde, 2025-08-11 What is the real meaning of Easter Why is it celebrated What has it got to do with the Jewish Passover And why is it the most important of the church festivals How does the Easter we celebrate today reflect what happened on that first Passover Good Friday and the third day in Jerusalem over 2 000 years ago This book explains with great clarity the history and meaning behind the sacrifice of the Lamb of God The why's and wherefore's of this historic event It is a book to be read carefully for it is to be studied rather than read like a novel Read the references for they are part of the instructive element of the book which will lead you deeper into spiritual truth

*Twelve Sermons Preached at the Special Services for the Working Classes, in Exeter Hall, May, June, July, August, 1857*, 1857 What shall a man give in exchange for his Soul? A sermon on Mark viii. 36, 37 John Charles

Work Ethics And The Generation Gap Many employers are noticing a pessimistic difference in today s generation We are all asking what happened to responsibility motivation having positive values and integrity along with wanting and expecting more of today s youth and ourselves Of course there are many who have that excellent work ethic already There are those who are workaholics and may need more balance in their lives and maybe manage their time more wisely which is also covered in this book It sounds like there may be some questions The real question may be Do we have the answers and how do we meet this solution as a nation I believe those of us who are parents employers teachers and all positive active members of the community can motivate the necessary changes towards more agreeable and moral principals Dr Joanne Sujansky founder of KEY group author and certified professional speaker sheds some light on Generation X Y and the baby boomers in chapter ten Also find out what the community has to say in chapter seven      *The Redeemer's Tears Wept Over Lost Souls: a Treatise on Luke XIX. 41, 42. Taylor** Jeremy Taylor,1834      **Edge of the Light: Healing through my Seven Divine Powers** ,Diddle-Lee-Anne,2023-02-09 Growing up on a farm in Kentucky I know the meaning of a hard day s work As the sun was setting we could hear Mom ringing the dinner bell With a country meal on the table Dad began to say the blessings Believing life was simple I had no idea of the turmoil ahead of me After high school I soon married and my life changed forever as the beatings began And within a few years we

had two little girls I turned to the church for help but they told me to turn the other cheek My family could not help me financially With no one to turn to I fell into the darkness So I filed for a divorce One day the girls father took them for a weekend visit but ended up kidnapping them for three years I prayed every day for my children s safety Finding my girls was by the grace of God We suffer with an emotional handicap but because of our strong faith in God we all now have wonderful lives And I hope my book will touch many lives covering issues such as bullying human trafficking women s rights and spousal abuse to name a few Writing Edge of the Light has given me a chance to continue to heal Each chapter is inspired by one of the seven divine powers The edge is a most divine place to be it is structured by the hand of God There you will be comforted and healed Never lose hope for the darkness is short lived but the Light shines forever I can now ring my bell of freedom

**A Body of Practical Divinity** Thomas Watson,1833 *True Latter-Day Saints' Herald* ,1924 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints Embrace God's Grace Larry Gilbert,2014-08-21

Grace is all and all is grace Grace is central to the Christian faith For by grace you have been saved through faith Eph 2 8 Growing with the recognition and understanding of grace is key to the initiation continuance and maturity within the Christian spiritual journey Faith develops in conjunction with the understanding of the dynamic importance of what grace is what grace does and how grace is a reality of each day God continually pours out his grace through various means The question is not does grace exist but rather are we at a point of awareness to recognize the Lord s grace Larry Gilbert presents a Devotional for ninety days by using Psalms Proverbs and the New Testament The mystifying essence of grace is presented through Scripture life application and reflection Come explore and develop an awareness of God s grace in your life Grace is all and all is grace Foundations of our Faith B. Lightsey,2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained

or seminary graduate I might be considered a doctrine dummy This book entitled Doctrine for Dummies is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine      **The Spiritual Magazine** ,1860
