No Voice is Ever Wholly Lost Louise Kaplan,1996-04-17 In this brilliant and inspirational book Louise Kaplan draws on her own experience as a psychoanalyst as well as on art literature and recent history to illuminate the psychological forces that sustain the dialogue between parents and children even after death This dialogue the heartbeat of human existence begins with an exchange of gestures between parent and infant Through these intimacies of everyday life the parent transmits to the child the emotional language of his species and eventually the verbal language and symbolic communication that enable the child to participate in human culture Once having entered into the human dialogue we cannot live without it The dialogue continues even after death Using a wide variety of examples from the child suffering brief separation anxiety to children of Holocaust victims to parents coping with the lifelong grief of losing a child Dr Kaplan demonstrates how to keep the voices of lost loved ones eternally alive **To Save the Love that Was Lost** Lyman Allen,Sofia,2008-03 When asked what led him to write To Save the Love That Was Lost Lyman Allen said I wrote because I had to It was a matter of passion I should say guided passion

because I found out that I was guided and so the book is ours Sofia s and mine There was a lid on my passion I wanted to believe that life made more sense than what we experience every day We function from day to day yes but I think a lot of us live with a gut feeling of how life ought to be and this is backed up maybe by a higher sense of that truth Well I found that there is that truth and it s in To Save the Love that Was Lost In fact it s in the title So I m offering an invitation to people to peek out from under that lid and see what they might find I found the answer that makes sense Our book is about the original message of Jesus Christianity before it was taken over by organized faith is that a contradiction in terms It s about what was intended to work for the world how we must learn to live I found that Jesus lost teachings are supported by religious history of 20 even 26 centuries ago A lot of those teachings were discovered in 1945 hidden for all that time They never got tampered with The title is from a verse deleted from a famous parable It s a mission statement about advancing the original Christianity of Jesus that s the love part and it relates directly to the fate of our planet It turns out that my mission was to write a book about these things The book is in fact a spiritual thesis supported by ancient documents recently discovered That might be a first
