[Theologica, Volume 3 \(Part II, Second Section\)](#) St Thomas Aquinas, 2013-01-01 The *Summa Theologica* is the best-known work of Italian philosopher, scholar, and Dominican friar SAINT THOMAS AQUINAS (1225-1274), widely considered the Catholic Church's greatest theologian. Famously consulted immediately after the Bible on religious questions at the Council of Trent, Aquinas's masterpiece has been considered a summary of official Church philosophy ever since. Aquinas considers approximately 10,000 questions on Church doctrine, covering the roles and nature of God, man, and Jesus; then lays out objections to Church teachings and systematically confronts each using Biblical verses, theologians, and philosophers to bolster his arguments. In Volume III, Aquinas addresses faith and heresy, charity, peace and war, mercy, anger, and justice, prayer, truth, and much more. This massive work of scholarship, spanning five volumes, addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy, religious historians, and serious students of Catholic thought. Hearst's International, 1923 **The Words and Music of Dolly Parton** Nancy Cardwell, 2011-07-22 This insightful biography provides a closer look at one of the entertainment world's biggest stars, with a focus on what got her to the top and what has kept her there. Dolly Parton has an enviable record of accomplishment as a performer, songwriter, recording artist, businesswoman, and philanthropist. She has triumphed on Broadway, in the movies, and even with her own theme park. *The Words and Music of Dolly Parton* probes its subject's unique singing voice and prolific abilities as a songwriter, as well as her impressive business savvy, fearless attitude, and an imagination as towering as the Smoky Mountains, among which she grew up. This book focuses on Parton's most important albums and songwriting style, examining her career from her early days in the East Tennessee mountains through her national television exposure on the Porter Wagoner Show, her crossover success in pop music, and her return to her acoustic bluegrass roots. In addition, it explores Parton's story songs and characters, the spirituality reflected in her music, and her important collaborations with other artists. [Kids Without Horses](#) Jennifer
