Love Garage The Love Brothers Book English Edition:

Love Garage Liz Crowe, 2015-01-12 Antony Love is the quintessential responsible oldest brother of a boisterous Italian Irish family placed in charge at a young age by his parents who are busy running the family business. He manages his siblings with a fair but iron hand until his life is shattered by personal tragedy leaving him the shell of the man he once was. When outspoken matriarch Lindsay Halloran Love becomes ill, the youngest brother Aiden shows up at Antony's garage having dropped out of school again needing work and a place to crash. Antony provides both with three caveats: Don't smoke in my truck, don't be late for work, and don't mess with my girlfriend. But Aiden Love, budding novelist, gets one glimpse of Rosalee Norris, young widow of Antony's lifelong best friend, and all bets are off. Set in horse country near Lexington, Kentucky, The Love Brothers Series is a saga of family devotion that runs as wide and deep as the Ohio River, except on Sundays when brothers Antony, Kieran, Dominic, and Aiden work out their frustrations on the basketball court. Love brother style. The Love Brothers: A family saga with humor, heat, and heart, not to mention beer, bourbon, and basketball. [Love's Magic Collection - Books 11-15](#) Betty McLain, 2023-06-12 Books 11-15 in Betty McLain's Love's Magic series of sweet and wholesome romance are now available in one volume. Love's Obsession: The mirror showed a girl her true love. Girls rushed to check their reflection, hoping to see if the stories were true. Not Doris. She had no interest in finding her true love. Derrick said he loved her, but when she did not return his feelings, his so-called love turned into an obsession that took the lives of her mother and stepfather. Mark Black Feather was pleasantly surprised to see the magic mirror reveal the face of his true love. He never expected she'd be unhappy to see him or that her life would be in danger from a madman. Can true love grow surrounded by tragedy and danger, or will one man's obsession end their love before it can truly begin? Love's Memory: Silas watched his family grow larger from all the marriages and children. He wondered when his time would come, but a part of his mind couldn't let go of a memory from long ago of a beautiful girl. He called her his woodland sprite, but where had she gone, and would he ever see her again? May struggled against the unwanted advances of the man her mother wanted her to marry. She did not love him. Her memories were full of the vision of a boy she loved from afar, but her family had left that place long ago. She never expected to see him again, especially not in the reflection of the magic mirror. Love's Gamble: Widowed at a young age and left to raise a baby by herself, Lanie was abandoned by her family when she needed them the most. She worked two full-time jobs to make ends meet. But she had her son. For her, that was enough. Then, as her fragile world began to crumble around her, a stranger swept in with the promise of a better life. Marcel knew all about true love. His family was full of stories of how magical the bond could be, and how unexpectedly it could appear in one's life. So when he met the young waitress on his way back home, he recognized their connection instantly. Seeing her struggle, he opened his home and heart to Lanie and her son. But can she learn to trust in a future of hope and love when the past has been so bleak? Love's Plea: Charise got together with her closest friends to have a good time and prepare for the wedding. But this restaurant was special. It

showcased one of the three magic mirrors capable of showing a girl her true love All the girls took their turns at the mirror and then it was Charise s turn But what do you do when you are the bride and the reflection you see in the mirror is not that of your soon to be husband Love s Promise Mona could use a little magic in her life With a sick mom younger siblings to look after and a stepfather who worked hard to make ends meet her life was far from magical Those she knew who met their true love through the mirror saw a promise of a brighter future Mona looked in the mirror time and again with no luck She saw a reminder of her own loneliness and dismal life Then one day the image changed , **Love's Magic Collection - Books 16-21** Betty McLain,2023-06-17 Books 16 21 in Betty McLain s Love s Magic series of sweet and wholesome romance now available in one volume Love s Voice Mariam Janice Semp was on the run someone wanted her dead The voice in her head had kept her alive others weren t so fortunate Darrin her older brother was off serving in the army She tried to reach him but he was off base so all she could do was leave a message When Alex received the call from his brother asking to help a friend find a missing sister he happily agreed to help As a private investigator this was what he did He had no idea how personal the case would become But with dangers all around and powerful people conspiring to see Mariam dead will his team and the help of a few guardian angels be enough to keep everyone safe Love s Helper She loved him from the time they were children but Sandy never treated Minnie as anything other than an honorary little sister Still Minnie held out hope that one day they could be more Then her guardian angel prompted her to seek help With her brother missing there was only one place left to go Sandy listened to the fearful plea for help and jumped into action as he would for any friend in need but the feelings he had for Minnie were not that of simple friends Thrust together by fate the love they each held in secret bubbled under the surface But before they could be together he had to find a way to keep her safe Love s Tuna Salad Stan worked for Avorn Security a group protecting the innocent from many threats including the witch hunters He never expected to find the hunters stalking one of their own Rissa watched Stan from the safety of her window until the day he rescued her from those who would do her harm With many young girls in the cross hairs Avorn s team must work fast if they hope to dismantle the threat But who is the Preacher and how many has he influenced to do his dark work Love s Vigilante Avorn Security Building was an unusual place to work Everyone who worked in the building went through a vetting process You couldn t be too careful when most of the staff could hear the voice of their guardian angels Even among the strange Taylor and Becky stood out Born in a hidden city and possessing unusual abilities they were taught to hide their gifts and tread carefully But Taylor couldn t help herself Disillusioned by the disappointment of one too many men she reached down and drew on the powers inside The powers of the Vigilante Love s Dilemma Selma grew up protected hidden from the world She was expected to live out her life in that place but one look at the face of her true love reflected back to her in her family s magic mirror and she knew her future was somewhere else Sal was no stranger to unusual abilities He shared the gift of hearing the guardian angels So when his angel told him Selma was his true love he believed it but she was still young He didn t want to rush her
