Touch Me, I'm Sick Margeaux Feldman,2025-09-09 Reject the stigmas of trauma and chronic illness by fostering queer forms of intimacy and embracing the many ways humans can care for one another The writer behind the popular softcore_trauma Instagram offers a deeply personal memoir for folks seeking healing and better care The forms of intimacy and care that we ve been sold are woefully inadequate and problematic In a world that treats those who are sick and traumatized as problems in need of a cure nonbinary writer artist educator and Instagram creator Margeaux Feldman offers a different story Trauma which all too often manifests as chronic illness tells us that there is something deeply wrong with the world we live in A world that promotes individualism fractures us from community through violence and systemic oppression and leaves us traumatized That is what we need to cure While unveiling their own lived experiences caregiving for their sick father losing their mother surviving sexual abuse and grappling with their own chronic illness Feldman provides roadmaps for embracing queer modes of care or hysterical intimacies that reject the notion that those who have been labeled sick are broken Feldman looks at the lengthy history of branding girls women and femmes and their desires as sick from the treatment of hysterics by Jean Martin Charcot and Sigmund Freud in the 19th and 20th centuries What emerges is a valiant call for rethinking the ways we seek healing This compelling blend of theory personal narrative and cultural criticism offers a path forward for reimagining the shapes and forms that intimacy care and interdependence can take

Love Is a Burning Thing Nina St. Pierre,2024-05-07 A riveting memoir about a daughter s investigation into the wirings of her loving unpredictable mother a woman who lived her life in pursuit of the divine and who started two big fires decades apart Ten years before Nina was born her mother lit herself on fire in a dual suicide attempt During her recovery in the burn unit a nurse initiated her into Transcendental Meditation From that day on her mother s pain became intertwined with the pursuit of enlightenment Growing up Nina longed for a normal life instead she and her brother were at the whims of their mother who chased ascension up and down the state of California swapping out spiritual practices as often as apartments When they finally settled at the foot of a mountain reputed to be cosmic in Northern California Nina hoped life would stabilize But after another fire and a tragic fallout she was forced to confront the shadow side of her mother s mystical narratives With obsessive dedication Nina began to knit together the truth that would eventually release her In **Love Is a Burning Thing** Nina interrogates what happens to those undiagnosed and unseen This is a transfixing moving portrait of a mother daughter relationship that also examines mental health stigma poverty and gender and the role that spirituality plays within each Nina s writing skirts the mystical untangles it and ultimately illuminates it with brilliance

Mind Without a Home Kristina Morgan,2013-08-13 This book brings readers straight inside the tortuous nature of the

disease of schizophrenia chronicled in short journal like chapters that narrate the author's incredible story Experience the inner world of a woman with schizophrenia in this brutally honest lyrical memoir Have you ever wondered what it is like in the mind of a person with schizophrenia How can one survive day after day unable to distinguish between one's inner nightmares and the everyday realities that most of us take for granted In her brutally honest highly original memoir Kristina Morgan takes us inside her head to experience the chaos fragmented thinking and the startling creativity of the schizophrenic mind With the intimacy of private journal like entries and the language of a poet she carries us from her childhood to her teen years when hallucinations began to hijack her mind and into adulthood where she began abusing alcohol to temper the punishing voices that only she could hear This is no formulaic tale of tragedy and triumph We feel Kristina's hope as she pursues an education and career and begins to build strong family connections friendships and intimacy and her devastation as the insistent voices convince her to throw it all away destroying herself and alienating everyone around her Woven through the pages of her life are stories of recovery from alcoholism and the search for her sexual identity in relationships with both women and men Eventually her journey takes her to a place of relative peace and stability where she finds the inner resources and support system to manage her chronic illnesses and live a fulfilling life

Love Is All That Makes Sense Sakeenah Francis, Anika Francis, 2013 Sakeenah Francis describes her life as a Cinderella story in reverse She grew up in a well respected middle class African American family She went to college was homecoming queen married began a career and had children Then schizophrenia struck and she lost everything She went from homecoming queen to being homeless and institutionalized Sakeenah Francis tells her daughter about her darkest moments of living with schizophrenia in a series of letters that chronicle the first time she heard voices in her head her hospitalizations her struggle to parent and her arduous path to long term recovery Both shaken and moved by her mother's revealing letters Anika faces the haunting effects her mother's mental illness had on her After years of keeping the secret about her mother's illness Anika breaks her silence voicing what it was like to grow up with a mother with a severe mental illness She describes the emotional roller coaster created by her mother's bouts of recovery and how this impacted her well into adulthood Though Sakeenah lost many bouts in her early struggles with schizophrenia she kept striving Through it all there was love which at times was the only thing that made sense to Sakeenah and Anika Love gave them the strength and resilience to heal and piece together that which schizophrenia had torn apart in our lives This sobering story carries a message of hope that will be inspiring to people affected by a severe mental illness and the web of people connected to them

A Road Back from Schizophrenia Arnhild Lauveng, 2012-11-13 For ten years Arnhild Lauveng suffered as a schizophrenic going in and out of the hospital for months or even a year at a time A Road Back from Schizophrenia gives extraordinary insight into the logic and life of a schizophrenic Lauveng illuminates her loss of identity her sense of being controlled from the outside and her relationship to the voices she heard and her sometimes terrifying hallucinations Painful recollections of

moments of humiliation inflicted by thoughtless medical professionals are juxtaposed with Lauveng's own understanding of how such patients are outwardly irrational and often violent. She paints a surreal world sometimes full of terror and sometimes of beauty in which the Captain rules her by the rod and the school's corridors are filled with wolves. When she was diagnosed with the mental illness, it was emphasized that this was a congenital disease and that she would have to live with it for the rest of her life. Today, however, she calls herself a former schizophrenic, has stopped taking medication for the illness, and currently works as a clinical psychologist. Lauveng, though sometimes critical of mental health care, ultimately attributes her slow journey back to health to the dedicated medical staff who took the time to talk to her and who saw her as a person simply diagnosed with an illness, not the illness incarnate. A powerful memoir for sufferers, their families, and the professionals who care for them.

The Scars to Prove It: A Memoir, Understanding Schizophrenia Ravinder D. Reddy MD, Matcheri S. Keshavan MD, 2015-09-15. Written by two physicians with decades of clinical and research experience in the field, this volume helps readers face schizophrenia by understanding what it is and how it is managed. Angelhead Greg Bottoms, 2002-03-05 My brother saw the face of God You never recover from a trauma like that So begins *Angelhead* a taut powerful memoir of the madness and crime that rips a family apart I didn't see God of course but I saw my brother seeing God I saw how petrified he was how convinced Set in Tidewater Virginia in the 1980s and early 1990s *Angelhead* documents the violent drug addled schizophrenic descent of the author's brother Michael Commencing with Michael's first psychotic break at age 14 high on acid seeing God in his suburban bedroom window through a series of petty crimes bizarre disappearances and suicide attempts to the shocking crime that landed him in the psychiatric wing of a maximum security prison *Angelhead* enables us to witness firsthand as never before the fragmenting of a mind and a family I knew still know that he saw in some form His or Her or Its face Bottoms shows in pitch perfect prose and with great empathy and dramatic tension the psychological decline of his brother as he becomes obsessed first with heavy metal music martial arts and the occult and then with the more bizarre aspects of Christianity We not only see the effects Michael's odd and increasingly violent behavior has on the people around him but also come to understand how the author now a successful writer and journalist used the power of language and storytelling both to save himself and to forgive his brother With the fast pace and seamless structure of the best crime writing and the moral sophistication and depth of our finest literature *Angelhead* will challenge what we know about mental illness and its impact on us all It is a brilliant work of unusual intensity In his room he was having his first of many psychotic breaks It came in the form of crippling guilt ruthless introspection He was Jesus being scolded by an angry Father He wore sin all sin heavy as lead shackles God made him look at himself and he was a stone with a minuscule heart

Mindful of You Nancy Morgan Mumford, 2023-12-05 After growing up a happy and carefree child Paul Mumford found himself totally unprepared for what began happening to him at age twenty three This is the compelling true story of his unpredictable downward spiral into bipolar disorder and schizophrenia Presented through the eyes of his mother this work explores with extraordinary honesty and care the harrowing journey her son faced as he struggled with progressing symptoms ranging from manic rage to full blown psychosis It brings into the light the often untold truth about what mental illness really looks like for the afflicted person and his family Despite the eventual loss of her son to schizophrenia the author offers the reader hope as she navigates her way through her first five years of grief with resolve relying on practical self help tools and her steadfast faith *Mindful of*

You is a must read for anyone whose life has been touched by mental illness suicide loss grief or hopelessness An American Demon Jack Grisham,2011 Complex memoir about 1980 s punk culture by the band True Sons of Liberty s front man From out of a Dark Corner Evelyn Roth,2008-03-07 From Out of a Dark Corner is a true story of the work I did in a halfway house for young people with major mental illness I organized a musical group there and met a man with a severe Obsessive Compulsive Disorder O C D who had a beautiful voice and was living in the facility He had been in and out of state hospitals for over twenty years taking medication which caused him to act very drugged He was erroneously diagnosed with schizophrenia from several psychiatrists over the years and was destined to live a terrible institutionalized life I had just graduated Florida International University with a degree in psychology and applied whatever knowledge I had about mental illness in order to help him At the time I was married to another man but later divorced him because I fell in love with Marty After reading Dr Leonard Cammers book Freedom from Compulsion I diagnosed Martys problem correctly and spent years helping him with his repetitive rituals and excessive hand washing I was also able to help him relive his childhood with his mentally sick mother until he got much better I chose the title From Out of a Dark Corner because Marty spent day after day sitting in his bedroom in a corner not doing much of anything except attending the halfway house He also helped me to leave my dark corner because of the fear I had that I too would suffer psychotic episodes like my poor mother did Today Marty doesnt take any medication for O C D and lives a normal life socializing with my friends and singing professionally **The Eden Express** Mark Vonnegut,2011-01-04 The Eden Express describes from the inside Mark Vonnegut s experience in the late 60s and early 70s a recent college grad in love living communally on a farm with a famous and doting father cherished dog and prized jalopy and then the nervous breakdowns in all their slow motion intimacy the taste of mortality and opportunity for humor they provided and the grim despair they afforded as well That he emerged to write this funny and true book and then moved on to find the meaningful life that for a while had seemed beyond reach is what ultimately happens in The Eden Express But the real story here is that throughout his harrowing experience his sense of humor let him see the humanity of what he was going through and his gift of language let him describe it in such a moving way that others could begin to imagine both its utter ordinariness as well as the madness we all share Under Cover of Demons Geula Salomonova,2019-01-14 This is the life story of Geula Salomonova It is based on real life events Geula is ill with the mental disorder called paranoid schizophrenia The story is told from her point of view This means that many events like hallucinations may sound like fiction but they are real Nothing is fictional There are a lot of medical books and other materials on schizophrenia but not much has been said from firsthand experience Those who are sick will never tell you their tale This is because they are not coherent and not in touch with their surroundings most of the time Thus their point of view and experience are kept secret Geula who passed through the usual psychotic experiences had the good fortune of overcoming them and being able to tell her story However although the act of writing of this book was not easy Geula

decided to make the effort to finish it and share it with you The book can be seen as the memoirs of a woman who has been haunted by Satan and demons The whole story takes place through various countries and from the age of fifteen to thirty six The names of the characters have been changed to protect their identity and privacy From this point on I will narrate as Geula Seven years have passed since the events of this story took place The inspiration for writing this book was from reading Anita Moorjani's *Dying to Be Me* It narrates her life story and tells about a woman dying from cancer but eventually coming back to life Thus I decided to tell you about what had happened in my life **Crux** Jean Guerrero, 2018-07-17 NEW YORK TIMES EDITORS CHOICE A daughter's quest to understand her charismatic and troubled father an immigrant who crosses borders both real and illusory between sanity and madness science and spirituality life and death PEN America Literary Award Winner The kind of memoir that seems to redefine the genre Los Angeles Review of Books From renowned journalist Jean Guerrero here is the haunting story of a daughter's mission to save her father from his demons and to save herself from destruction Marco Antonio was raised in Mexico then migrated to California where he met Jean's mother Jeannette a Puerto Rican woman just out of med school Marco is a self-taught genius at building things including mythologies about himself and the hidden forces that drive us When he goes on the run Jean follows and embarks on an investigative journey between cultures and languages the earthly and the mystical truth and fiction A distinctive memoir about the search for an elusive parent *Crux* is both a riveting adventure story and a profoundly original exploration of the mysteries of our world our most intimate relationships and ourselves Guerrero writes poetically about borders as a metaphor for the boundary of identity between father and daughter and the porous connective tissues that bind them The National Book Review
