## **Love Trumps Culture Love S Culture II:**

**Race, Gender, and Political Culture in the Trump Era** Christine A. Kray, Uli Linke, 2021-08-26 This book demonstrates the fragility of democratic norms and institutions and the allure of fascist politics within the Trump era The chapters consider the antagonistic cultural practices through which divergent political machinations including white patriarchal nationalism are staged and examine the corresponding policies and governing practices that threaten the civil rights security and wellbeing of racialized minorities immigrants women and gender nonconforming people The book contributes to social theory on nation building by delineating processes of exclusion intimidation and violence with a focus on rhetoric performance semiotics music affectivity and the power of media Various chapters also analyze creative restorative and at times unruly practices of community building which reknit the social fabric with expansive visions of the polity This anthropology led volume incorporates contributions from a number of disciplines including sociology American studies communication and Spanish and will be of interest to scholars across the social sciences and humanities For the Body Timothy C. Tennent, 2020-11-17 An in depth look at what it means to be created in the image of God and how our bodies serve as icons that illuminate God's purposes instead of ours The human body is an amazing gift yet today many people downplay its importance and fail to understand what Christianity teaches about our bodies and their God given purposes Many people misunderstand how the body was designed its role in relating to others and we lack awareness of the dangers of objectifying the body divorcing it from its intended purpose Timothy Tennent covers topics like marriage family singleness and friendship and he looks at how the human body has been objectified in art and media today For the Body offers a biblical framework for discipling people today in a Christian theology of the body Tennent theologian and president of Asbury Theological Seminary explores the contours of a robust Christian vision of the body human sexuality and the variety of different ways we are called into relationships with others This book will reveal a theological vision that informs our self understanding of our own bodies Examines how we treat others Reevaluates how we engage today's controversial and difficult discussions on human sexuality with grace wisdom and confidence For the Body is a call to a deeper understanding of our bodies and an invitation to recapture the wonder of this amazing gift Sexual Culture in Germany in the 1970s Janin Afken, Benedikt Wolf, 2019-12-11 This book is the first attempt to present a comprehensive picture of LGBT culture in the two German states in the 1970s Starting from the common view of the decade between the moderation of the German anti sodomy law in 1968 East and 1969 West and the first documented case of AIDS 1982 as a golden age for queer politics and culture this edited collection traces the way this impression has been shaped by cultural production The chapters ask What exactly made the 1970s a legendary decade What was its revolutionary potential and what were its path breaking political and aesthetic strategies Which elements movements and memories had to be marginalized in order to facilitate the historical construction of the legendary decade Exploring the complex picture of gay lesbian and to a lesser extent trans cultures from

this time the volume provides fascinating insights into both canonized and marginalized texts and films from and about the decade

**Cultures of Growth** Mary C. Murphy, 2024-03-12 Required reading for anyone who has wondered how to create a culture that supports innovation risk taking integrity and inclusion I simply loved this book ANGELA DUCKWORTH bestselling author of Grit In her multi million copy bestseller Mindset Carol Dweck coined the terms fixed and growth mindset transforming our view of individual success In a fixed mindset talent and intelligence are viewed as predetermined traits while in a growth mindset talent and intelligence can be nurtured In Cultures of Growth award winning social psychologist Mary C Murphy argues that mindset transcends individuals Drawing on compelling examples from her work with Fortune 500 companies startups and schools she shows how we can all create a growth mindset culture Murphy's original decade long research reveals that organisations and teams more geared toward growth inspire deeper learning spark collaboration spur innovation and build trust necessary for risk taking and inclusion They are also less likely to cheat cut corners or steal each other's ideas And they're more likely to achieve top results In these cultures great ideas come from people from all backgrounds and at all levels not just those anointed as brilliant or talented In a world where success seems reserved for a chosen few Cultures of Growth unveils a radically different approach to creating organisations that inspire learning growth and success at all levels

**Love and Violence** David Richards, 2023-11-25 This book offers both a philosophical and psychological theory of an aspect of human love first noted by Plato and used by Freud in developing psychoanalysis transference love namely lovers as mirrors for one another enabling them thus better to see and understand themselves and others Shakespeare's art makes the same appeal theater as a communal mirror expressing the artist holding a loving mirror for his culture at a point of transitional crisis between a shame and guilt culture The book shows how Shakespeare's plays offer better insights into the behavior of violent men than Freud's based on close empirical study of violent criminals develops a theory of violence rooted in the moral emotions of shame and guilt and a cultural psychology of the transition from shame to guilt cultures The work argues that violence is contra Freud not an ineliminable instinct in the nature of things requiring autocracy but arises from patriarchally inflicted cultural injuries to the love of equals that undermine democracy and that only a therapy based on love can address such injuries replacing retributive with restorative justice and populist fascist autocracy with constitutional democracy Love thus understood underlies a range of disparate phenomena the appeal of Shakespeare's theater as a communal art the role of love in psychoanalysis in Augustine's conception of love in religion disfigured by his patriarchal assumptions in Kant's anti utilitarian ethics of dignity in a naturalistic ethics that roots ethics in facts of human psychology the role of law in democratic cultures as a mirror and critique of such cultures and the basis of an egalitarian theory of universal human rights inspired by Kant and developed more recently by John Rawls In all these domains uncritically accepted forms of culture the initiation of men and women into patriarchy traumatize the love of equals and thus disfigure and distort our personal and political lives

**The Prophecy**

**Collection: The End Times Survival Guide, the Coming Apostasy, Russia Rising** Mark Hitchcock, 2021-10 Three popular books now collected for the first time in one special edition We live in a world that seems to be on the verge of coming apart Shootings Killer viruses The threat of nuclear war All of it is just too real What is happening in our world today is moving Christians to return to the foundations of our spiritual existence Believers everywhere must get back to what matters most We must always remember our battle at its most basic level is spiritual In The Prophecy Collection popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what's happening and to prepare for the future through three important works The End Times Survival Guide The Coming Apostasy coauthored with Jeff Kinley Russia Rising As we prepare for the Lord's coming it's time to understand the biblical truths you need to know in order to face an increasingly decaying darkening world No matter what the future holds anchor your spiritual health and welfare on the immovable rock of God's Word

**American Dictionary and Cyclopedia**, 1896 *The American Encyclopædic Dictionary*, 1896 [This Little Opinion Plus \\$1.50 Will Buy You a Coke](#)

Douglas Young, 2024-02-02 In these sixty five essays political science professor emeritus Dr Douglas Young examines a tremendous variety of American and global political issues and leaders Whether making his case for or against particular public policies or scrutinizing major politicians Dr Young offers an independent perspective colored by Judeo Christian conservatarian conservative and libertarian principles Many major American political issues are explored in this collection including abortion Afghanistan AIDS alcohol China Confederate monuments feminism gun control healthcare marijuana mass shootings political polarization presidential politics press misconduct religion secularism and US foreign policies Also studied in this volume is a diverse cast of public figures including Abraham Lincoln James Longstreet John Kennedy Ernesto Che Guevara Richard Nixon Jimmy Carter Jesse Helms Clarence Thomas George Bush I Earvin Magic Johnson Bill Clinton Pat Robertson Jesse Jackson Donald Trump Ron DeSantis Tucker Carlson Prince Harry and Meghan Markle Informed by a lifetime of intensive political study wit and a penchant for being eloquently blunt Professor Young finally answers the

question he so often got from students but declined to address while teaching for over a third of a century But what do you think Dr Young Now you will know *Days of Awe* Atalia Omer,2019-05-21 For many Jewish people in the mid twentieth century Zionism was an unquestionable tenet of what it meant to be Jewish Seventy years later a growing number of American Jews are instead expressing solidarity with Palestinians questioning old allegiances to Israel How did that transformation come about What does it mean for the future of Judaism In *Days of Awe* Atalia Omer examines this shift through interviews with a new generation of Jewish activists rigorous data analysis and fieldwork within a progressive synagogue community She highlights people politically inspired by social justice campaigns including the Black Lives Matter movement and protests against anti immigration policies These activists she shows discover that their ethical outrage at US policies extends to Israel s treatment of Palestinians For these American Jews the Jewish history of dispossession and diaspora compels a search for solidarity with liberation movements This shift produces innovations within Jewish tradition including multi racial and intersectional conceptions of Jewishness and movements to reclaim prophetic Judaism Charting the rise of such religious innovation Omer points toward the possible futures of post Zionist Judaism **A More Perfect Party** Juanita Tolliver,2025-01-14 From an MSNBC Political Analyst a riveting account of the legendary party hosted by Diahann Carroll for Shirley Chisholm s 1972 presidential campaign which changed the playing field for Black women in politics In 1972 New York Representative Shirley Chisholm broke the ice in American politics when she became the first Black woman to run for president of the United States Chisholm left behind a coalition building model personified by a once in an era Hollywood party hosted by legendary actress and singer Diahann Carroll and attended by the likes of Huey P Newton Barbara Lee Berry Gordy David Frost Flip Wilson Goldie Hawn and others In *A More Perfect Party* MSNBC political analyst Juanita Tolliver presents a path to people centered politics through the lens of this soiree with surprising parallels to our current electoral reality Chisholm worked the crowd of movie stars media moguls music executives and activists gathered at Carroll s opulent Beverly Hills home forging relationships with laughter as she urged guests to unify behind her campaign With the feminist movement on the rise and eighteen to twenty year olds voting for the first time in American history the Democratic Party and the nation were on the cusp of long overdue change Zooming in on one party attendee per chapter *A More Perfect Party* brings this whimsical event out of the margins of history to demonstrate that there is an opportunity for all of us to fight for a better nation and return power to the people *Popular Culture, Social Media, and the Politics of Identity* William Clapton,2024-11-08 *Popular Culture Social Media and the Politics of Identity* advances a novel methodological approach pop culture as political object to capture the centrality of popular culture as an object of a broad range of political contests and debates that constitute pop culture artefacts by generating and informing specific meanings and understandings of them It is no longer novel to claim that popular culture matters to world politics The literature on *Popular Culture and World Politics* PCWP has demonstrated the cultural basis of political action and meaning making

However this book argues that in doing so the PCWP literature has focused primarily on the traditionally narrow range of issues actors and things that mainstream International Relations regards as part of world politics While PCWP challenges restrictive disciplinary understandings of the sites of legitimate inquiry where one can purposefully gain knowledge about world politics comparatively little has been done to challenge constricted understandings of what world politics is who it involves and where it takes place Methodological approaches in the literature largely treat popular culture and politics as separate and therefore focus on understanding how popular culture relates to and intersects with a relatively circumscribed notion of world politics Focusing on the everyday politics of how audiences perceive and contest popular cultural artefacts this book demonstrates that pop culture does not merely intersect with or reflect discrete political processes it is also directly situated as an object of politics The author analyses current debates over identity politics across a range of contemporary pop cultural artefacts including films and video games This book will be of interest to scholars and students of International Relations Political Science and Cultural and Media Studies      How They Made It in America Fiona Citkin Ph.D,2019-01-28 Immigrants have been coming to America since the beginning of the seventeenth century in pursuit of their dreams and a better life Unfortunately in recent years these very people who have been helping to shape the American Dream for centuries have become targets of abuse Fiona Citkin who immigrated to America from Ukraine examines the individual experiences of eighteen immigrant women from around the world and from all walks of life who today serve as models of success In sharing their unique and complex stories Citkin demonstrates how these women succeeded in America under exceptionally difficult circumstances through drive grit intelligence compassion and leadership skills Citkin also captures their collective wisdom and explores the values that drove them to action and success and presents specific advice that will inspire other success seekers to follow in their footsteps How They Made It in America shares the authentic stories of prominent multicultural female immigrants who overcame seemingly insurmountable odds to achieve success in the land of the free and the home of the brave      *Boys' Secrets and Men's Loves*: David A.J. Richards,2019-06-04 *Boys Secrets and Men s Loves* is the memoir of a law professor who has written over twenty books on the basic rights of American constitutionalism He has been a prominent advocate of gay rights and feminism which joins men and women in resistance A gay man born into an Italian American family in New Jersey he relates in this book his own experience on how the initiation of boys into patriarchy inflicts trauma leading them to mindlessly accept patriarchal codes of masculinity and how through art philosophy and experience including mutual love he and others straight and gay men come to join women in resisting patriarchy through the discovery of how deeply it harms men as well as women      Misogyny and Media in the Age of Trump Maria B. Marron,2019-12-19 *Misogyny and Media in the Age of Trump* argues that misogyny has increased in the United States under President Trump and that although women s experiences under misogyny are by no means universal patriarchal social and institutional systems facilitate gender based hostility Systemic misogyny and power inequities are at the root of male on female bullying

the bullying and harassment of non hegemonic males and other minorities as well as sexual harassment rape and even murder Given the prevalence of misogyny and its deep rootedness in religion it is argued that the social contract needs to be rewritten in order to have a just gender and race equitable society Misogyny creates a clash of cultures between men and women hegemonic and non hegemonic males feminists and INCELS the powerful and the oppressed natives and marginalized minorities the conservative and the liberal progressive This book explores misogyny across media ranging from political and editorial cartoons to news sport film television social media especially Twitter and journalistic organizations that address gender inequities The authors argue that the current era of conservative populism ushered in by President Donald Trump and the Republicans constitute the social cultural and political environment that have given rise to the MeToo Movement and Fourth Wave Feminism

*Love Addict* Mark G. Boyer, Corbin S. Cole, Matthew S. Ver Miller, 2019-02-15 In Greek the language of the New Testament there are four words for love agape philia storge and eros but no matter what the Greek word is the English equivalent is always love The most used Greek word for love in the NT is agape the noblest word for self sacrificial love The second most used word for love in the NT is philia brotherly or sisterly affectionate love between equals The third word for love in Greek is storge which refers to love that is based in one's nature such as the natural affection of parents toward children The fourth Greek word for love is eros which does not appear in the NT It is the love of sexual passion intimate love and romantic love Each entry in all six chapters of this book follows a five part exercise 1 title 2 a short quotation from Scripture 3 a two paragraph reflection on the use of love in the quotation 4 a journal meditation question to help the reader connect the reflection to his or her own life and 5 a short prayer The process is an exercise in spirituality that is the way one is in the divine's presence

America at War with Itself Henry A. Giroux, 2016-08-22 From poisoned water and police violence in our cities to gun massacres and hate mongering on the presidential campaign trail evidence that America is at war with itself is everywhere around us The question is not whether or not it's happening but how to understand the forces at work in order to prevent conditions from getting worse Henry A Giroux offers a powerful far reaching critique of the economic interests cultural dimensions and political dynamics involved in the nation's shift toward increasingly abusive forms of power His analysis helps us to frame critical questions about what can and should be done to turn things around while we can Reflecting on a wide range of social issues Giroux contrasts

Donald Trump's America with Sandra Bland's to understand who really benefits from politically fueled intolerance for immigrants communities of color Muslims low income families and those who challenge state and corporate power A passionate advocate for civil rights and the importance of the imagination Giroux argues that only through widespread social investment in democracy and education can the common good hope to prevail over the increasingly concentrated influence of extreme right wing politicians and self serving economic interests Praise for America at War with Itself This is the book Americans need to read now No one is better than Henry Giroux at analyzing the truly dangerous threats to our society He punctures our delusions and offers us a compelling and enlightened vision of a better way America at War with Itself is the best book of the year Bob Herbert Distinguished Senior Fellow at Demos and former Op Ed columnist for the New York Times In this current era of corporate media misdirection and misinformation America at War with Itself is a must read for all Americans especially young people Henry Giroux is one of the few great political voices of today with powerful insight into the truth Dr Giroux is defiantly explaining against the grain what's REALLY going on right now and doing so quite undeniably Simply put the ideas he brings forth are a beacon that need to be seen and heard and understood in order for the world to progress Julian Casablancas In America at War with Itself Henry Giroux again proves himself one of North America's most clear sighted radical philosophers of education culture and politics radical because he discards the chaff of liberal critique and cuts to the root of the ills that are withering democracy Giroux also connects the dots of reckless greed corporate impunity poverty mass incarceration racism and the co-opting of education to crush critical thinking and promote a culture that denigrates and even criminalizes civil society and the public good His latest work is the antidote to an alarming tide of toxic authoritarianism that threatens to engulf America The book could not be more timely Olivia Ward Toronto Star America at War with Itself makes the case for real ideological and structural change at a time when the need and stakes could not be greater Everyone who cares about the survival and revival of democracy needs to read this book Kenneth Saltman Professor University of Massachusetts Dartmouth Author of The Failure of Corporate School Reform Henry A Giroux's most recent books include The Violence of Organized Forgetting and America's Addiction to Terrorism A prolific writer and political commentator he has appeared in a wide range of media including the New York Times and Bill Moyers *The American Encyclopaedic Dictionary*, 1897
