Male Suicide and Masculinity in 19th-century Britain Lyndsay Galpin,2022-04-07 This book shows how interpretations of suicidal motives were guided by gendered expectations of behaviour and that these expectations were constructed to create meaning and understanding for family friends and witnesses Providing an insight into how people of this era understood suicidal behaviour and motives it challenges the assertion that suicide was seen as a distinctly feminine act and that men who took their own lives were feminized as a result Instead it shows that masculinity was understood in a more nuanced way than gender binaries allow and that a man's masculinity was measured against other men Focusing on four common narrative types the love suicide the unemployed suicide the suicide of the fraudster or speculator and the suicide of the dishonoured soldier it provides historical context to modern discussions about the crisis of masculinity and rising male suicide rates It reveals that narratives around male suicides are not so different today as they were then and that our modern model of masculinity can be traced back to the 19th century

Suicide in Twentieth-Century Japan Francesca Di Marco,2016-01-29 Japan's suicide phenomenon has fascinated both the media and academics although many questions and paradoxes embedded in the debate on suicide have remained unaddressed in the existing literature including the assumption that Japan is a Suicide Nation This tendency causes common misconceptions about the suicide phenomenon and its features Aiming to redress the situation this book explores how the idea of suicide in Japan was shaped reinterpreted and reinvented from the 1900s to the 1980s Providing a timely contribution to the underexplored history of suicide it also adds to the current heated debates on the contemporary way we organize our thoughts on life and death health and wealth on the value of the individual and on gender The book explores the genealogy and development of modern suicide in Japan by examining the ways in which beliefs about the nation's character historical views of suicide and the cultural legitimization of voluntary death acted to influence even the scientific conceptualization of suicide in Japan It thus unveils the way in which the language on suicide was transformed throughout the century according to the fluctuating relationship between suicide and the discourse on national identity and pathological and cultural narratives In doing so it proposes a new path to understanding the norms and mechanisms of the process of the conceptualization of suicide itself Filling in a critical gap in three particular fields of historical study the history of suicide the history of death and the cultural history of twentieth century Japan it will be of great interest to students and scholars of Japanese Studies and Japanese History

Theatre Translation Theory and Performance in Contemporary Japan Beverley Curran, 2014-06-03 What motivates a Japanese translator and theatre company to translate and perform a play about racial discrimination in the American South What happens to a gay play when it is staged in a country where the performance of gender is a theatrical tradition What are the politics of First Nations or Aboriginal theatre in Japanese translation and colour blind casting Is a Canadian n drama that tells a story of the Japanese diaspora a performance in cultural appropriation or dramatic innovation In looking for answers to these questions Theatre Translation Theory and Performance in Contemporary Japan extends discussions of theatre translation through a selective investigation of six Western plays translated and staged in Japan since the 1960s with marginalized tongues and bodies at their core The study begins with an examination of James Baldwin s Blues

for Mister Charlie followed by explorations of Michel Marc Bouchard's *Les feluettes* ou *La repetition d'un drame romantique* Tomson Highway's *The Rez Sisters* and *Dry Lips Oughta Move to Kapuskasing* Roger Bennett's *Up the Ladder* and Daphne Marlatt's *The Gull* *The Steveston* t Noh Project *Native Voices* *Foreign Bodies* locates theatre translation theory and practice in Japan in the post war Showa and Heisei eras and provokes reconsideration of Western notions about the complex interaction of tongues and bodies in translation and theatre when they travel and are reconstituted under different cultural conditions

Studies in the Comic Spirit in Modern Japanese Fiction Joel R. Cohn, 2020-10-26 Unlike traditional Japanese literature which has a rich tradition of comedy modern Japanese literature is commonly associated with a high seriousness of purpose In this pathbreaking study Joel R Cohn analyzes works by three writers Ibuse Masuji 1898 1993 Dazai Osamu 1909 1948 and Inoue Hisashi 1934 whose works constitute a relentless assault on the notion that comedy cannot be part of serious literature Cohn focuses on thematic structural and stylistic elements in the works of these writers to show that modern Japanese comedic literature is a product of a particular set of historical social and cultural experiences Cohn finds that cultural and social forces in modern Japan have led to the creation of comic literature that tends to deflect attention away from a human other and turn in on itself in different forms

Lovesick Japan Mark D. West, 2011-08-15 In Lovesick Japan Mark D West explores an official vision of love sex and marriage in contemporary Japan A comprehensive body of evidence 2 700 court opinions describes a society characterized by a presupposed absence of physical and emotional intimacy affection and personal connections In compelling poignant and sometimes horrifying court cases West finds that Japanese judges frequently opine on whether a person is in love what other emotions a person is feeling and whether those emotions are appropriate for the situation Sometimes judges views about love sex and marriage emerge from their presentation of the facts of cases Among the recurring elements are abortions forced by men compensated dating late life divorces termination fees to end affairs sexless couples Valentine s Day heartbreak soapland bath brothels and home wrecking hostesses Sometimes the judges analysis decisions and commentary are as revealing as the facts Sex in the cases is a choice among private normal sex which is male dominated conservative dispassionate or nonexistent commercial sex which caters to every fetish but is said to lead to rape murder and general social depravity and a hybrid of the two which commodifies private sexual relationships Marriage is contractual judges express the ideal of love in marriage and proclaim its importance but virtually no one in the court cases achieves it Love usually appears
