Activation method: Intercom announcement

What you will hear: **CODE GREEN: ALL CLEAR** (followed by additional instructions)

1. Wait for additional instructions from a recognized administrator or emergency responder.
2. Resume normal school activities only when directed to do so.

Code Yellow

A Code Yellow (Shelter in Place) is used when an incident is occurring outside near the school that requires police, medical or fire response.

Activation method: Intercom announcement

What you will hear: **SECURITY ALERT: CODE YELLOW**

1. If students are outside the school, bring them inside.
2. Close and lock exterior doors and windows. Place signage on main entrance to inform visitors that the school is currently in Code Yellow.

Code Red

A Code Red is used when an unauthorized intruder is threatening school safety.

Activation method: Intercom announcement

What you will hear: **SECURITY ALERT: CODE RED**

 - f. Wait for Code Green followed by further instructions via intercom, or until police arrive at your door using proper identification.
4. If **Engage** option is chosen (fight):
 - a. Assertively use all means possible to disrupt or distract intruder.
 - b. Use noise, movement, distance or improvised weapons to your advantage and escape if safe to do so.

The Neighborhood Emergency Response Handbook Scott Finazzo, 2015-08-11 Practical step by step strategies for helping your own family, first responders, and vulnerable community members during any emergency situation. Eventually everyone experiences a catastrophic emergency. Whether it's a hurricane that sweeps across their entire state, an earthquake or flood that decimates their home city, or a house fire that puts their family in danger. Knowing what to do before, during, and immediately after these emergency situations can mean the difference between life and death. All across the country, people of all walks of life are signing up for Community Emergency Response Team training classes where they learn how to help those in dire need and assist overwhelmed first responders in saving lives and preventing further disaster. This book teaches you what those CERT team members learn from stabilizing a car crash victim for ambulance transport and rescuing trapped citizens from a fallen building to putting out a house fire before the fire trucks even arrive. Learn about creating event specific disaster kits for yourself and your family. Learning about basic fire safety and fire fighting. Establishing triage centers in the event that first responders can't reach you. Stabilizing disaster victims through need to know first aid. Creating your own neighborhood emergency response team to keep your neighborhood safe and save lives should the worst occur.

Firefighters' Safety United States. Congress. Senate. Committee on Commerce, Science, and Transportation. Subcommittee on the Consumer, 1991 **Hazardous Materials Incidents** Steven M. DeLisi, 2006 First responders who arrive on scene of a hazardous materials incident may be assigned to an engine, ladder truck, rescue, or ambulance with very little sophisticated HAZMAT equipment. Despite these limitations, their actions during the initial response will often set the stage for the success or failure of the entire event. Many incidents start out as minor routine events that suddenly escalate when something goes terribly wrong. Perhaps first responders did not anticipate the involvement of hazardous materials in a response to a rear end collision involving two passenger vehicles, an EMS call at a residence for difficulty breathing, or a trash fire. That is, until it was too late. First responders, despite their best intentions, can quickly become part of any hazardous materials problem. The results can be first responders who are killed or seriously injured, or those who suffer devastating illnesses years after exposure to a hazardous material. Even if you have hours of training on hazardous materials response, this book will provide every reader with practical advice based on the real life experiences of first responders. A one stop
