

Ex Machina Four

**Eric Csapo, Hans Rupprecht Goette, J.
Richard Green, Peter Wilson**

Ex Machina Four:

Fourth Wave Feminism in Science Fiction and Fantasy Valerie Estelle Frankel, 2019-10-16 Fourth wave feminism has entered the national conversation and established a highly visible presence in popular media especially in cutting edge science fiction and fantasy films and television series Wonder Woman the Wasp and Captain Marvel headline superhero films while Black Panther celebrates nonwestern power Disney princesses value sisterhood over conventional marriage This first of two companion volumes addresses cinema exploring how since 2012 such films as the Hunger Games trilogy Mad Max Fury Road and recent Star Wars installments have showcased women of action The true innovation is a product of the Internet age Though the web has accelerated fan engagement to the point that progressivism and backlash happen simultaneously new films increasingly emphasize diversity over toxic masculinity They defy net trolls to provide stunning role models for viewers across the spectrum of age gender and nationality

Four Caribbean Women Playwrights Vanessa Lee, 2021-10-18 Four Caribbean Women Playwrights aims to expand Caribbean and postcolonial studies beyond fiction and poetry by bringing to the fore innovative women playwrights from the French Caribbean Ina C saire Maryse Cond Gerty Dambury Suzanne Dracius Focussing on the significance of these women writers to the French and French Caribbean cultural scenes the author illustrates how their work participates in global trends within postcolonial theatre The playwrights discussed here all address socio political issues gender stereotypes and the traumatic slave and colonial pasts of the Caribbean people Investigating a range of plays from the 1980s to the early 2010s including some works that have not yet featured in academic studies of Caribbean theatre and applying theories of postcolonial theatre and local Caribbean theatre criticism Four Caribbean Women Playwrights should appeal to scholars and students in the Humanities and to all those interested in the postcolonial the Caribbean and contemporary theatre

Greek Theatre in the Fourth Century BC Eric Csapo, Hans Rupprecht Goette, J. Richard Green, Peter Wilson, 2014-06-18 Age old scholarly dogma holds that the death of serious theatre went hand in hand with the death of the city state and that the fourth century BC ushered in an era of theatrical mediocrity offering

shallow entertainment to a depoliticised citizenry The traditional view of fourth century culture is encouraged and sustained by the absence of dramatic texts in anything more than fragments Until recently little attention was paid to an enormous array of non literary evidence attesting not only the sustained vibrancy of theatrical culture but a huge expansion of theatre throughout and even beyond the Greek world Epigraphic historiographic iconographic and archaeological evidence indicates that the fourth century BC was an age of exponential growth in theatre It saw the construction of permanent stone theatres across and beyond the Mediterranean world the addition of theatrical events to existing festivals the creation of entirely new contexts for drama and vast investment both public and private in all areas of what was rapidly becoming a major industry This is the first book to explore all the evidence for fourth century ancient theatre its architecture drama dissemination staging reception politics social impact finance and memorialisation

The Conceptual Worlds of the Fourth Gospel

Charles B. Puskas, C. Michael Robbins, 2021-01-08 Over under and through John's story of Jesus are unforgettable ideas and concepts profoundly simple and simply profound for the author's own audience and beyond These ideas did not originate in a vacuum They have recurred and been repeated before and after the writing of the Fourth Gospel For this reason we will examine the meaning of its words and themes in the context of its Jewish Greco Roman milieu Much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases as well as parallel concepts and images from the Old Testament the Dead Sea Scrolls Philo and other relevant writings Such parallels will help to determine the meaning of a word or expression the translation of a particular language determining any direct influences upon the Fourth Gospel parallel traditions or the influence of its ideas as a creative and inspiring work of later antiquity

The Disruptive Fourth Industrial Revolution Wesley Doorsamy, Babu Sena Paul, Tshilidzi Marwala, 2020-07-13
