into engine bays that once housed other weaker mills Ford's flathead one that had dominated for so long was rendered obsolete almost overnight Chevy had a winner and dominated the sales charts for years to come Aftermarket manufacturers got on board and offered up all the go fast goodies needed to make Chevy a winner no matter what category they ran From Dragsters to Stock Chevy's success was immediate And it was a long term success thanks to a combination of years of great styling and a vast array of driveline combinations Accomplished racing author Dour Boyce takes a celebratory look at those years of success with a focus on the first 25 years 1955 through 1980 Chevrolets gave rise to such stars as Bill Grumpy Jenkins Jungle Jim Liberman Sneaky Pete Robinson Dyno Don Nicholson Sox Martin Dick Harrell Dave Strickler and many more World champs and fan favorites all drove Chevys The success showed in the record books No brand has won more races and events or has set more national records than Chevrolet And unlike the other manufacturers Ford and Chrysler it was done with little to no factory support Whether you are a hardcore Chevy fan or just love catching up on the history of drag racing during the golden age this nostalgic look at Chevy racing history is sure to entertain for hours on end **Life,**

Light and Love Beyond Covid: Kelly's True Story of How God Grants us "Hope for Miracles...Always!" Tim Pleacher, 2022-06-10 Life Light and Love Beyond Covid is the story of Kelly's struggle for her very life as told by her husband Tim Kelly would struggle first against Covid then against a debilitating stroke and finally move forward into a challenging recovery It's the story of a dedicated hospital staff the turmoil of family and friends and the depiction of how a wife's love and God's grace can rescue a man adrift She was vibrant and carefree just days prior but mid morning of October 3 2021 found my wife of 39 years on full life support I watched as the machine breathed for her I was soon asked to add Do Not Resuscitate to Kelly's orders We reluctantly decided to add those distressing words This could not be happening In a nightmare from which I could not awake cold sweat gushed hope faded and darkness grew Kelly would spend 17 days on full ventilation 43 days in Intensive Care and a record 80 total days hospitalized She would endure life threatening complications and be near death several times Could God perform the miracles necessary to sustain Kelly's life I pray that you are intrigued enough to read the true story of her courage As the journey unfolds we will perceive God's love in the lessons the journey imparts No matter how dreadful the situation in our most desperate moments we learn that we can speak to the living God and He will answer May you receive hope as you read and discover how God can grant us Hope for miracles always **Votes & Proceedings** New South Wales.
