

INVISIBLE MAN Discussion Questions

Prologue

- Why does Ralph fight his battle with Manipulated Light & Power? (7-8)
- Why does Ralph need light? (7)
- What does Ralph mean when he says he is invisible? (11-12) - The answers to this is simultaneously complex and simple. Do yourself the exercise in a manner that respects this paradox.
- How does Ralph see himself? (12)

Chapter 1: The Battle Royal

- Should Ralph accept this so-called gift? Why or why not?
- In what ways does this so-called gift reflect the dream's message that the goal of society is to "keep this raggedy rascal running"? (22)?
 - Consider: "It goes along very fast, some twenty years, all my life I had been looking for something, and everywhere I turned someone threatened me what it was. I accepted that answer too, though there were others: the old traditions and even self-nomination. I was naïve. I was looking for myself and telling everyone except myself questions about it, and only I could answer. I could not find time and much painful business until of the education to achieve a tradition someone else appears to have been fortunate. That man looks for myself, but there had no answer that I am, inevitable man?" (28)
- Discuss the meaning of Ralph's words: "here" and "everywhere" and expectations. "There" considered a more single of desirable conduct – just as my grandfather had been. And what possible meaning that the did mean had did mean as machinery...? (114-117)

Chapter 2: The Colonel's Case (NOTE: Chapters 2-3 are all a single day during Ralph's junior year in college)

- Why is a life-sized statue more commanding than a man that is alive? (29)
- Black involvement in Mr. Norton's family deepened Ralph must be expected – it is a place and interest in the life of a story is good for a manifestation of his own sexual feelings for the daughter of the sophisticated black man has acted out the white man's fantasy – he has "looked upon a man and had not dreamed" (30) for Norton's own internal name is – "You feel no other himself?" (31) "Parents don't that people spend all of their lives building a lifeless equal a structure to govern behavior, when a face itself is the truest reality. It could not accept it as reality – he knows he has "done the best thing a man could do ever do in his family" but he returns to live with his family – "This is man and a man don't leave his family" (36) Does Norton accept his true reality? Does he know who he really is, or does he wear a mask?

Chapter 3: Golden Day at the Boarding (NOTE: Chapters 3-4 are all a single day during Ralph's junior year in college)

- In what ways does the scene at the Golden Day reflect the problems of society?
- What role, do you think, does the doctor act (40-42) play in Black's larger purposes for Invisible Man?
- What does the number of one play a contributory role?

Chapter 4: Conclusion (NOTE: Chapters 3-4 are all a single day during Ralph's junior year in college)

- The message for Jack Macon from his grandfather (164-165) makes Ralph as angry as Dr. Blotson was moments prior. Why?
- In the face of all of the confusing scenes and feelings of the past chapters, Ralph states that "Dr. Blotson's attitude toward Mr. Norton was the most confusing thing of all" (165, 167-7)

Invisible Man Chapter Questions
