Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate Juvenile Delinquency, 1976 **The Global Connection: Heroin Entrepreneurs: Narcotic Sentencing and Seizure Act of 1976 (S. 3411 and S. 3645)** United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate Juvenile Delinquency, 1976 Bronze Age Connections Peter Clark, 2009-09-03 New and exciting discoveries on either side of the English Channel in recent years have begun to show that people living in the coastal zones of Belgium southern Britain northern France and the Netherlands shared a common material culture during the Bronze Age between three and four thousand years ago They used similar styles of pottery and metalwork lived in the same kind of houses and buried their dead in the same kind of tombs often quite different to those used by their neighbours further inland The sea did not appear to be a barrier to these people but rather a highway connecting communities in a unique cultural identity the People of La Manche Symbolic of these maritime Bronze Age Connections is the iconic Dover Bronze Age boat one of Europe's greatest prehistoric discoveries and testament to the skill and technical sophistication of our Bronze Age ancestors This monograph presents papers from a conference held in Dover in 2006 organised by the Dover Bronze Age Boat Trust which brought together scholars from many different countries to explore and celebrate these ancient seaborne contacts Twelve wide ranging chapters explore themes of travel exchange production magic and ritual that throw new light on our understanding of the seafaring peoples of the second millennium BC **The Cuban Connection** Eduardo Sáenz Rovner, 2009-06-01 A comprehensive history of crime and corruption in Cuba The Cuban Connection challenges the common view that widespread poverty and geographic proximity to the United States were the prime reasons for soaring rates of drug trafficking smuggling gambling and prostitution in the tumultuous decades preceding the Cuban revolution Eduardo Saenz Rovner argues that

Cuba's historically well established integration into international migration commerce and transportation networks combined with political instability and rampant official corruption to help lay the foundation for the development of organized crime structures powerful enough to affect Cuba's domestic and foreign politics and its very identity as a nation Saenz traces the routes taken around the world by traffickers and smugglers After Cuba the most important player in this story is the United States The involvement of gangsters and corrupt U S officials and businessmen enabled prohibited substances to reach a strong market in the United States from rum running during Prohibition to increased demand for narcotics during the Cold War Originally published in Colombia in 2005 this first English language edition has been revised and updated by the author

Dress and Society T. F. Martin, R. Weech, 2017-01-31 While traditional studies of dress and jewellery have tended to focus purely on reconstruction or descriptions of style chronology and typology the social context of costume is now a major research area in archaeology This refocusing is largely a result of the close relationship between dress and three currently popular topics identity bodies and material culture Not only does dress constitute an important means by which people integrate and segregate to form group identities but interactions between objects and bodies quintessentially illustrated by dress can also form the basis of much wider symbolic systems Consequently archaeological understandings of clothing shed light on some of the fundamental aspects of society hence our intentionally unconditional title Dress and Society illustrates the range of current archaeological approaches to dress using a number of case studies drawn from prehistoric to post medieval Europe Individually each chapter makes a strong contribution in its own field whether through the discussion of new evidence or new approaches to classic material Presenting the eight papers together creates a strong argument for a theoretically informed and integrated approach to dress as a specific category of archaeological evidence emphasising that the study of dress not only draws openly on other disciplines but is also a sub discipline in its own right However rather than delimiting dress to a specialist area of research we seek to promote it as fundamental to any holistic archaeological understanding of past societies

The Quebec Connection Julie-Françoise Tolliver, 2020-12-03 From the 1950s to the 1970s the idea of independence inspired radical changes across the French speaking world In The Quebec Connection Julie Fran oise Tolliver examines the links and parallels that writers from Quebec the Caribbean and Africa

imagined to unite that world illuminating the tropes they used to articulate solidarities across the race and class differences that marked their experience Tolliver argues that the French tongue both enabled and delimited connections between these writers restricting their potential with the language's own imperial history The literary map that emerges demonstrates the plurality of French language literatures going beyond the concept of a single unitary francophone literature to appreciate the profuse range of imaginaries connected by solidary texts that hoped for transformative independence Importantly the book expands the francophone framework by connecting African and Caribbean literatures to Quebecois literature attending to their interactions while recognizing their particularities The Quebec Connection's analysis of transnational francophone solidarities radically alters the field of francophone studies by redressing the racial logic that isolates the northern province from what has come to be called the postcolonial world Louisiana Planter and Sugar Manufacturer, 1921 *Terroristic Activity: The Cuban connection in Puerto Rico* United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws, 1975 *The Cross-Border Connection* Roger Waldinger, 2015-01-05 International migration presents the human face of globalization Roger Waldinger addresses a paradox at its core emigrants departing one society become immigrants in another tying those two societies together He explains how interconnections between place of origin and destination are built and maintained and why they eventually fall apart A Bristol, Rhode Island, and Matanzas, Cuba, Slavery Connection Rafael Ocasio, 2019-11-22 In the early 19th century Cuba emerged as the world's largest producer of sugar and the United States its most important buyer Barely documented today there was a close commercial relationship between Cuba and the Rhode Island coastal town of Bristol The citizens of Bristol were heavily involved in the slavery trade and owned sugarcane plantations in Cuba and also served as staff workers at these facilities Available in print for the first time is a diary that sheds light on this connection Mr George Howe Esquire 1791-1837 documented his tasks at a Bristolian owned plantation called New Hope which was owned by well known Bristol merchant slave trader and US senator James DeWolf 1764-1837 Howe expressed mixed personal feelings about local slavery work practices He felt lucky to be employed and was determined to do his job well in spite of the harsh conditions operating at New Hope but he also struggled with his personal feelings regarding slavery Though an oppressive system it was at the core of New Hope's financial success and therefore Howe's well being as an employee This book examines Howe's diary entries in the thematic context of the local Costumbrista literary production Costumbrismo both documented local customs and critically analyzed social ills In his letters to relatives and friends Howe depicted a more personal reaction to the underpinnings of slavery practices a reaction reflecting early abolitionist sentiments **The Israeli-American Connection** Michael G. Brown, Michael Brown, 1996 The Israeli American Connection examines the ways in which the American experience influenced some of the major leaders of the yishuv the Jewish settlement in Palestine during and between the world wars In six biographical chapters Michael Brown studies Vladimir Jabotinsky Chaim Nahman

Bialik Berl Katznelson Henrietta Szold Golda Meir and David Ben Gurion focusing on each leader's involvement with and image of America as well as the impact of America on their lives and careers **Dublin Easter 1916 The French**

Connection Bill Mc Cormack, 2012-09-28 All revolutionary movements since 1789 have looked instinctively to the French model In this book Bill Mc Cormack demonstrates that the French influence in Ireland was indeed profound especially in the years leading up to the Easter Rising However it was not the traditions of the Tennis Court Oath or Bastille Day that motivated the Irish rebels but a new French Catholic nationalism which reached its apogee with the Dreyfus Affair 1895 and which pervaded literature as well as politics This was a complex reactionary movement partly religious partly royalist and anti modern In Ireland its influence was advanced through the thought of individual visitors through Catholic teaching orders and through a vigorous periodical press The blood sacrifice rhetoric of Patrick Pearse and eventually James Connolly owes more to Maurice Barres than to Wolfe Tone Connolly's use of the sympathetic strike derives from Georges Sorel's syndicalism Mc Cormack examines how the formerly anti clerical Irish Republican Brotherhood was in effect re baptised by a French inspired Catholic mission which even absorbed Pearse's English and agnostic father He explores the wealth of French material published by Thomas MacDonagh and J M Plunkett in *The Irish Review* 1911 1914 and traces the long campaign of *The Catholic Bulletin* to convert the rebel dead into martyrs Finally he discusses how the anti democratic undertow of 1916 breaks out again in 1939 with the IRA's bombing campaign in England *The Hispanic Connection* Zenia S.
