memories to live a more peaceful and harmonious life Details how to apply Ho oponopono to deal with traumatic past events
destructive thought patterns family dynamics daily annoyances or any other disagreeable event in your life from traffic jams
to relationship break ups Draws on the new science of epigenetics and quantum physics to explain how Ho oponopono works
Explains how the trauma of past events can cloud your perceptions and reveals how to break free from the weight of your
memories Based on an ancestral Hawaiian shamanic ritual the healing practice of Ho oponopono teaches you to cleanse your
consciousness of negative memories unconscious fears and dysfunctional programming and grant yourself forgiveness peace
and love The process is deceptively simple first you must recognize your own responsibility for creating the events in your
life then you are ready to apply the mantra of Ho oponopono I m sorry Forgive me Thank you I love you Repeated several
times over a dedicated interval the negativity is replaced with inner peace love and harmony and as the stories in this book
show sometimes even miracles take place In this step by step guide the authors explain how to apply Ho oponopono to
traumatic past events destructive thought patterns family dynamics daily annoyances or any other disagreeable event in your
life from traffic jams to relationship break ups Drawing on quantum physics and epigenetics they explore how Ho oponopono
works how thoughts and consciousness can affect the expression of your DNA the materialization of your goals and the
behavior of those around you They explain how negative thought patterns and memories unconsciously guide your life and
draw more negativity to you perpetuating the cycle of bad events and clouding your recollection of the past By apologizing to
yourself your memory and the event in question you can forgive yourself heal your memories and cleanse your perceptions By
reconciling with yourself you open your heart to love for your experiences yourself and others and bring harmony to your
mind body and the world around you **El gran libro de ho'oponopono** LUC BODIN,NATHALIE BODIN,JEAN
