Manual Handling (Questions and Answers) Denis Boulais,2013-01-05 Manual handling is involved in almost every activity in the workplace This

book is primarily about the manual handling related questions I have been asked over the years and the responses I have provided throughout Australia I have found that this question and answer style of writing is well accepted in the workplace particularly amongst employees and middle management Employees and their managers can carry this very practical book around with them and have access to solutions to questions they may be asked throughout their day Whilst the advice of an OHS expert should always be sought due to the merits of each situation this book is a good guide in basic manual handling risk management
