The Memory Box Tyra Garlington, 2014-10-07 The End is the Beginning Tyra Garlington woke one morning dizzy disoriented and alone on the bathroom floor Her pain was excruciating and she could barely breathe Unable to move or call for help she soon closed her eyes and surrendered to what she believed was the inevitable What happened next would change her forever *The Memory Box* is a story of how one woman came to truly know and live the promise of God's grace that had always been with her as she was beaten practically to death in the 1960s south as her beloved parents died both from

cancer and as she had to say goodbye to the disappointment that was her marriage It is a series of reflections that give hope to anyone experiencing abuse betrayal clinical depression or loss In her brokenness Garlington found peace and a way to move on to live a brilliant life full of giving of helping others understand the power of knowing that you are not your circumstances and that Gods grace is there to uphold you and propel you forward in ways unimaginable When your heart attacks you violently and unexpectedly you pray As you struggle you realize that Gods presence power protection and provision is there to sustain you Tyra Garlington found the secret to his infinite grace that its timeless promise came shining through was more than amazing it was sufficient Her story is her gift to you To receive it please open your heart and hear Gods message of grace for you
