Europe Or Up And Down With Schreiber And Baggish:

Europe Richard G. Stern, 1961 *Europe* Richard Stern, 2014-12-16 Cultures and egos clash in this hilarious tale of two American men trying to start over again in Europe For Max Schreiber World War II was an idyll It is the return home to Connecticut that feels like entering a combat zone Ridiculed by his wife and daughter bored by his legal practice Schreiber spends his evenings drinking and eating alone hoping that when he goes to sleep he will dream of France and Micheline the beautiful young woman who may have broken his heart but at least made him feel alive When at last he works up the courage to end his stultifying marriage and set out on his own Schreiber knows exactly where he wants to go across the Atlantic Theodore Baggish has spent years planning and saving for his escape from New England When the time is finally right he gleefully gets himself fired from his job as a dry goods clerk and sets sail for postwar Europe the land of opportunity Nothing will stand in the way of his success and he will use anyone who can help him achieve his goals whether they like it or not Naive amoral and unrelentingly eager Baggish may have been too young to storm the beaches of Normandy but he is bound and determined to conquer the Continent all by himself When Schreiber and Baggish meet at an awkward dinner party in the university town of Heidelberg one them is on the way up the other on the way down Are their futures set in stone or is there still time to change course Stylish witty and profound *Europe* is an insightful examination of the intersection of character and circumstance and a laugh out loud portrayal of the conflict between the Old World and the New *The Writings of Richard Stern* David Garrett Izzo, 2001-12-18 For fifty years the American Richard Stern has been praised as a writer s writer His collected stories in *Noble Rot* 1949 1989 earned him a Book of the Year Award from the Chicago Sun Times adding to his recognition as one of America s most acclaimed writers of fiction in novels and short stories This study of Stern s life and writings discusses major themes Stern has dealt with explores the issue of fictional autobiography as it relates to Stern s work and analyzes each of his published novels and short stories from *Golk* 1960 to *Pacific Tremors* and *What Is What Was* both 2001 An interview with Richard Stern is included **Europe** Richard Gustave Stern, 1961 **A Critical Friendship** Elizabeth Murphy, 2021-08-05 A chance meeting in the University of North Carolina campus library in 1944 began a decades long friendship and sixty year correspondence Donald Justice 1925 2004 and Richard Stern 1928 2013 would go on to become respectively the Pulitzer Prize winning poet and the acclaimed novelist *A Critical Friendship* showcases a selection of their letters and postcards from the first fifteen years of their correspondence representing the formative period in both writers careers It includes some of Justice s unpublished poetry and early drafts of later published poems as well as some early never before published poetry by Stern *A Critical Friendship* is the story of two writers inventing themselves beginning with the earliest extant letters and ending with those just following their first major publications Justice s poetry collection *The Summer Anniversaries* and Stern s novel *Golk* These letters highlight their willingness to give and take criticism and document the birth of two distinct and important American literary lives The letters similarly document the influence of

teachers friends and contemporaries including Saul Bellow John Berryman Edgar Bowers Robert Lowell Norman Mailer Allen Tate Peter Hillsman Taylor Robert Penn Warren Eudora Welty and Yvor Winters all of whom feature in the pair s conversations In a broader context their correspondence sheds light on the development of the mid twentieth century American literary scene

Modern European Borders in Fiction Andrew Hammond, 2025-09-18 There are few features of the contemporary world more significant than national and regional borders In modern Europe the practices of human division have defined the continent from the early years of the Cold War to the present barriers of Fortress Europe whose exposure of irregular migrants to trafficking discrimination and deportation is rarely absent from the daily news *Modern European Borders in Fiction* offers a comprehensive study of literary responses to the topic Through reference to over 600 novels and short stories Andrew Hammond analyses the wide ranging engagement of post 1945 novelists with the ideologies processes and effects of territorialisation as well as the related issues of military conflict migration populism nationalism and regionalism Among the topics under study are the ideological divisions of the Cold War the closed societies of totalitarian communism the labour migrations of the 1950s and 1960s the tightening of border controls from the 1970s the twenty first century war on migration the official restrictions on borderland communities the conflicts in Bosnia Georgia and Ukraine and the patterns of social segregation that have marked the continent from the Second World War to the present Drawing on theoretical work in the social sciences and the humanities this is a ground breaking contribution to European literary studies establishing the importance of continental border writing and opening up fresh avenues for decolonised teaching and research

The Novel and Europe Andrew Hammond, 2016-10-05 This book examines the ways in which fiction has addressed the continent since the Second World War Drawing on novelists from Europe and elsewhere the volume analyzes the literary response to seven dominant concerns ideas of Europe conflict borders empire unification migration and marginalization offering a ground breaking study of how modern and contemporary writers have participated in the European debate The sixteen essays view the chosen writers not as representatives of national literatures but as participants in transcontinental discussion that has occurred across borders cultures and languages In doing so the contributors raise questions about the forms of power operating across and radiating from Europe challenging both the institutionalized divisions of the Cold War and the triumphalist narrative of continental unity currently being written in Brussels

Almonds to Zooof Richard Stern, 2005-06-10 Stern s stories witty moving charged with narrative energy never sacrifice storytelling to mere elegance or bursts of essayistic wisdom This collection demonstrates Stern s remarkable ability to portray people s flawed relationships to ideas their sometimes bizarre relationships with lovers and friends their often brilliant if skewed appraisals of themselves The stories reflect Stern s compassion for his characters whoever they are and whatever their origins

Book jacket *Stitch* Richard Stern, 2014-12-16 In one of the world s most beautiful cities an aging sculptor serves as an inspiration and a warning to two aspiring artists Pursuing literary glory Edward Gunther gives up his job as a

copywriter sells everything he owns and moves with his wife and three children from Chicago to Venice But success does not come as quickly or as painlessly as Edward had hoped During his first month in Italy he struggles to get his essays published argues with his wife about the family finances and embarks on an unsteady affair with Nina Callahan an American poet who insists on keeping him at arm s length It seems that Edward s dreams will never come true but when he discovers that Nina has befriended Thaddeus Stitch the famous sculptor a ray of hope appears If anyone has the spark of genius it is Stitch who counted Yeats and Rilke as his friends and is inarguably one of the twentieth century s greatest artists Perhaps some of the old man s creative energy will rub off on Edward to whom a note of encouragement from such a luminary would mean everything But Stitch is bitter and distant preoccupied with his own doubts Ancient now he feels his talent slipping from his grasp and recognizes that the world is ready to move on without him He knows that his masterpiece a collection of figures and abstractions on an island in the Venetian Lagoon will eventually disappear beneath the rising waters of the Adriatic Over the course of a foggy winter these three lonely souls try to come to terms with the direction of their lives and the meaning of their work Written shortly after Richard Stern met Ezra Pound and widely recognized as a remarkable portrait of that inimitable literary lion Stitch is an incisive and sympathetic novel about the joys and disappointments of a life devoted to art

Natural Shocks Richard Stern, 2014-12-16 A high flying journalist comes to ground in this brilliant and bittersweet novel about coming to terms with the traumas of life Fred Wursup has an enviable existence Paid to travel around the world harvesting the annual crop of stars and villains he has a beautiful geophysicist girlfriend and a friendly relationship with his ex wife Susannah whose living room he can see into from the roof of his Lexington Avenue apartment His latest book a collective portrait of brilliant but flawed leaders called *Down the American Drain* had the good fortune to be published at the height of the Watergate scandal sending it to the top of the bestseller lists A new assignment however threatens to bring an end to Wursup s recent string of successes Asked to write an article on dying still undiscovered country according to his editor he becomes unsettled by the seemingly random course of his life the nature of his work and the mortality that surrounds him A troubled playwright he once profiled commits suicide His elderly father a retired meter reader who writes poetry about the last years of famous old men seems to be on the verge of something drastic Cicia a young woman dying of cancer at St Vincent s Hospital is gorgeous vibrant and doomed and Wursup just might be falling in love with her A charming and richly intelligent story about the disasters major and minor that are bound to happen to us all *Natural Shocks* showcases the fine craftsmanship and depth of feeling that have established Richard Stern as one of America s most admired authors
