(Sessions 2-3) My school does not require us to post our UEQ's or LEQ's in the classroom. But I do tell them to my students each day. To contribute to the sensory input of sight, I could have them posted in my class for students to view each day.
• Warm-Up: • Introduce the book by showing it to students and reading the title and author: <i>The Invisible Boy</i> by Trudy Ludwig. • Invite students to look closely at the cover. Ask: "What do you notice on the cover of this book?" • Invite students to Think-Pair-Share: "What do you think might happen in this story?" During the think-pair-share time, I could contribute to the auditory sensory input by playing non-lyrical music at a low level. This is help calm students and focus them on the task.		
Teaching Strategies: • Call on a couple of students to share their answers with the class.
