Evangelistic Apologetics Compatibility And Integration:

Evangelistic Apologetics Braxton Hunter, 2014-12-01 Christian apologetics has become very popular among 21st Century evangelicals Unfortunately it is often enjoyed rather than employed It is a novelty or hobby subject for believers who enjoy talking theology and philosophy in the tradition of the Athenian intelligentsia to whom Paul preached in Acts seventeen When Christian apologetics is employed it is often misused Rather than seeking to impact the heart and mind of an individual a believer who is enamored with Christian defense might use novice approaches to win an argument However the desire of the church should be for God to win an individual's heart and mind The goal of this work is to aid and inspire the people of God in the work of evangelism Introducing Christian apologetics for the sake of novelty is not in view Instead the author sees Christian defense as a practice that is often necessary when carrying out the evangelistic task Some have referred to this great discipline as a pre evangelistic endeavor While this makes sense in a practical way it improperly describes what is actually taking place during an apologetic appeal In the author's view no Christian apologist has accomplished his work until he has presented and in some cases defended the truth of the gospel Such a presentation is by definition an evangelistic one In this Volume Christian Apologetics in the 21st Century The History of Christian Apologetics The Major Divisions of Christian Apologetics The State of Evangelism in the 21st Century The Compatibility of Evangelism and Christian Apologetics The Integration of Evangelism and Christian Apologetics Apologetics and Doctrinal Differences Theistic Arguments Evidences in Favor of the Resurrection of Jesus Arguments and Evidences Specific to Various Methodologies Guidance in Choosing an Apologetic Method for Types of Evangelistic Ministries Instruction on Delivery of Evangelistic Apologetics

Educational Program explores issues certain to be encountered by secondary school educators who want to teach apologetics as a distinct subject of study either as a part of a Christian institutional or home school curriculum This book helps the apologist and educator blend their skills to soundly integrate the two subjects A solution is sought by providing a background and rational for implementing an age level appropriate apologetics course at this critical level of Christian education This book is designed as a text to supplement those used in Christian education or applied apologetics courses each chapter successively builds upon the other to help develop an educational philosophy that supports the inclusion of apologetics in the curriculum A model is explained and materials are given to support the development of a curriculum in Christian Apologetics Education at the secondary level Practical ideas are explored and a sample unit of instruction is supplied to help the educator develop an evangelical approach to education that is in the classical apologetic tradition

Biblical Apologetics Clifford B. McManis, 2013-07-26 The book you are holding in your hands is perhaps the simplest most straightforward summary and how to guide for presuppositional apologetics now in print It is both informative and practically helpful I believe you will find it an extremely useful tool whether you are an professor at the seminary level seeking supplemental reading material or just a simple lay person looking for practical answers Pastor McManis writes with crisp clarity in a way that is certain to give you fresh insight into what Scripture teaches about the defense of the Christian faith I wish this book had been available when I was studying apologetics in seminary John MacArthur Pastor Teacher Grace Community Church President of The Masters College and Seminary Cliff has rescued the discipline from the elite circle of the intelligentsia and returned it as a biblical theology of truth communication to the common people i.e. to all believers This volume will be of great help in the restoration of the practicality of biblical apologetics as it was exemplified in the early Church Hopefully today's readers will be able to understand and put into practice the true nature of Peter's command in 1 Peter 3:15 as it is strategically situated in its defining context George J.
