Injustement cantonné au second rayon du Siècle des Lumières voici enfin ressortir un bijou d'ironie lapidaire unique en son genre d'une absolue singularité de ton et d'esprit Empruntant au ressort de voyage comme au pamphlet politique et religieux recueil d'aphorismes d'aventures galantes et d'anecdotes Le Cosmopolite ou le citoyen du monde 1750 balade son cynisme misanthropique et sa fantaisie travers toute l'Europe Vif et provocant d'une liberté revigorante ce bréviaire est aussi l'autoportrait d'un mauvais sujet l'indépendance d'esprit intraitable dont la veine satirique burlesque et grinçante a inspiré Voltaire et fasciné Byron

distribution of global positional goods and illustrates the role of avant garde agents in shaping these conflicts and promoting democratic political transformations in response to them Against statist she defends the global scope of equality and derives remedial cosmopolitan principles from global responsibilities to relieve absolute deprivation Against cosmopolitans she shows that associative political relations play an essential role and that blanket condemnation of the state is unnecessary and ill directed Advocating an approach to global justice whereby domestic avant garde agents intervene politically so as to constrain and motivate fellow citizens to support cosmopolitan transformations this book offers a fresh and nuanced example of political theory in an activist mode Setting the contemporary debate on global justice in the context of recent methodological disputes on the relationship between ideal and nonideal theorizing Ypi s dialectical account illustrates how principles and agency can genuinely interact
