Timothy J. Students will study cultural variations of the Hamlet story, recreate the tale's events in a news show format, rewrite scenes using modern day perspectives, and create their own blogs to discuss the play's relationship to contemporary life. The author also provides easy to use discussions of Shakespeare's life and times and the ways Hamlet can be studied from a critical perspective. Prufrock's new line of innovative teaching guides is designed to engage students with creative learning activities that ensure Advanced Placement success. The Teaching Success Guide for the Advanced Placement Classroom series helps teachers motivate students above and beyond the norm by introducing investigative hands on activities including debates, role plays, experiments, projects, and more, all based on Advanced Placement and college level standards for learning.
