 McCrossen, 2013-05-01 Tells a story of a period when the quest for accurate timekeeping became an obsession in the US
 Choice The public spaces and buildings of the United States are home to many thousands of timepieces bells time balls and
 clock faces that tower over urban streets peek out from lobbies and gleam in store windows And in the streets and squares
 beneath them men women and children wear wristwatches of all kinds Americans have decorated their homes with clocks
 and included them in their poetry sermons stories and songs And as political instruments social tools and cultural symbols
 these personal and public timekeepers have enjoyed a broad currency in art life and culture In Marking Modern Times Alexis
 McCrossen relates how the American preoccupation with time led people from across social classes to acquire watches and
 clocks While noting the difficulties in regulating and synchronizing so many timepieces McCrossen expands our
 understanding of the development of modern time discipline delving into the ways we have standardized time and describing
 how timekeepers have served as political social and cultural tools in a society that doesn't merely value time but regards
 access to time as a natural born right a privilege of being an American A precise acute and well measured monograph Journal

of Social History Important and engaging Journal of American History An innovative contribution on a key historical shift in modern life Urban History An authoritative narrative of how and where time and timepieces were distributed in the period
