The Rugged Danish Settlement Pass Lake Historical Society,2024-04-18 In 1924 Sibley and McTavish Townships were set aside for settlement by Danish homesteaders They were eager to take advantage and the opportunity to own land in this new country The Danish immigrants underwent great trials to clear the land for farming and build houses in the region

Despite many hardships and setbacks due to fires and the economy the clearings and buildings emerged Logging in the area became a main source of income along with farms and the well known strawberry farms As the settlers began to realize their dreams the colony started to thrive thus establishing the community of Pass Lake This being our 100 year celebration it is the goal of the Pass Lake Historical Society that we commemorate this occasion by compiling stories from our early pioneers to the present We acknowledge where we started and continue to embrace as we move forward in the future This community has roots even though many have moved away they hold this Rugged Danish Settlement deep in their heart **Asian**
