Yours Cruelly, Elvira Cassandra Peterson, 2021-09-21 The woman behind the icon known as Elvira Mistress of the Dark the undisputed Queen of Halloween reveals her full story filled with intimate bombshells told by the bombshell herself On Good Friday in 1953 at only 18 months old 25 miles from the nearest hospital in Manhattan Kansas Cassandra Peterson reached for a pot on the stove and doused herself in boiling water Third degree burns covered 35% of her body and the prognosis wasn't good But she survived Burned and scarred the impact stayed with her and became an obstacle she was determined to overcome Feeling like a misfit led to her love of horror While her sisters played with Barbie dolls Cassandra built model kits of Frankenstein and Dracula and idolized Vincent Price Due to a complicated relationship with her mother Cassandra left home at 14 and by age 17 she was performing at the famed Dunes Hotel in Las Vegas Run ins with the likes of Frank Sinatra Sammy Davis Jr and Tom Jones helped her grow up fast Then a chance encounter with her idol Elvis Presley changed the course of her life forever and led her to Europe where she worked in film and traveled Italy as lead singer of an Italian pop band She eventually made her way to Los Angeles where she joined the famed comedy improv group The Groundlings and worked alongside Phil Hartman and Paul Peewee Reubens honing her comedic skills Nearing age 30 a struggling actress considered past her prime she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies Cassandra improvised made the role her own and got the job on the spot Yours Cruelly Elvira is an unforgettably wild memoir Cassandra doesn't shy away from revealing exactly who she is and how she overcame seemingly insurmountable odds Always original and sometimes outrageous her story is loaded with twists travails revelry and downright shocking experiences It is the candid often funny and sometimes heart breaking tale of a Midwest farm girl's long strange trip to become the world's sexiest sassiest Halloween icon Instant New York Times Bestseller Los Angeles Times Bestseller USA Today Bestseller Publishers Weekly Bestseller A New York Times Best Books to Give This Season selection

Television Introductions Vincent Terrace, 2013-11-07 Since the beginning of network television many shows have been preceded by an announcement or theme song that served various purposes In the 1950s and 60s it was common for announcers to declare that a program had been brought to you by a sponsor who paid for the privilege of introducing a show Other programs such as The Twilight Zone Star Trek and The Odd Couple provided a brief encapsulation of the show's subject matter a practice that has continued for recent shows like Alias Battlestar Galactica Person of Interest and the various editions of Law Order In Television Introductions Narrated TV Program Openings since 1949 Vincent Terrace has assembled openings for more than nine hundred television shows from the past seven decades The only documented history of narrated television program introductions this volume is arranged by type of programming such as comedy drama Western game show soap opera and children's show In addition to quoting the opening material entries provide information about each show's network history and years of broadcast Many entries include descriptions of the show the names of announcers

Lope de Vega on Spanish Screens, 1935-2020 Philip Allen, 2022-06-27 This book provides an in depth examination and analysis of the film and television adaptations of Lope de Vega's theatrical dramas that have appeared on Spanish screens

since the mid twentieth century Using a multidisciplinary approach Allen draws on critical media literacy studies film and adaptation studies literary theory cultural studies and cultural historiography in his analysis Allen argues that given the problematic reception of Lope s works in Francoist Spain the canonical author never held a privileged position in the dictatorial propaganda machine In fact adaptations of Lope s theater productions were subject to the same rigorous scrutiny if not more than any other screenplays that landed under censorship s microscope Allen analyzes adaptations produced during and after the nearly forty year dictatorship and questions whether the adaptors of the democratic era created films and television shows that can sufficiently demonstrate how the spirit of Lope s life and works can resonate with modern audiences Scholars of film and television studies adaptation studies and history will find this book particularly useful
