

Financial Management

9th EDITION

Theory and Practice

The ninth edition of this comprehensive reference-cum-textbook in Financial Management presents the central themes and concerns of corporate financial management.

This new edition continues to keep pace with the dramatic transformation that has taken place in India's business and financial scenario and its evolving concerns in recent years. The opportunities and challenges that have emerged in the wake of these developments are extensively addressed in the text.

Feature Highlights

- Builds understanding of the central ideas and theories of modern finance
- Develops familiarity with the analytical techniques helpful in financial decision making
- Furnishes institutional material relevant for understanding the environment in which financial decisions are taken
- Discusses the practice of financial management with emphasis on behavioural dimension

To enhance the utility of the book, an Online Learning Centre with Instructor's Manual (containing PowerPoint Presentations, Solutions Manual and Quiz Bank) is available at:
