

An underwater scene with a pink fish swimming near a coral reef. The water is a deep blue-green, and the coral is a vibrant pink. The fish is a bright pink color with a white stripe along its side. It is swimming towards the right. The coral is a branching, fan-like structure with many small, rounded tips. The background is a deep blue-green, suggesting a deep underwater environment. The lighting is soft and diffused, creating a serene atmosphere.
