picture of the great love and the deep ties of family a family with an ancestor who could not read or write but amassed a fortune in land and property Love of family runs through this family whether you are rich and famous or poor and needy or somewhere in between All families can affirm this but this book tells it in a different way in a different format By reading From Grace to Glory A little Bit About A Lot of Things we are reminded of what is important in life We are encouraged by the dear ones who have gone on before us We can build on that strong love that strong foundation that has been left and we can trust our God to take us from His grace to His glory as we continue on life s journey
