

Friendly Letters and Business Letters

Friendly Letters

Friendly letters are usually written between friends or family members to stay in touch when they are far apart. A friendly letter usually includes personal information and descriptions of day-to-day life. Since the audience of a friendly letter is a friend or family member, it is okay to use less formal language and to write the same way you usually speak.

Parts of a Friendly Letter

How are you? I'm fine. It was great to hear from you last week. It sounds like your part in the school play will be a real challenge. I hope you enjoy yourself.

Paragraphs are separated with a blank line (or the first line is indented).

Life here is pretty good. My soccer team just won our first tournament—yippee! I'm so glad I joined the team.

Everyone here is happy and healthy. We think about you lots and lots! See you soon.
