God Without Religion:

God without Religion Andrew Farley, 2011-06-01 Andrew Farley's experience as a Christian was first characterized by self effort as he tried to please God at any cost His ruthless religion resulted in spiritual burnout and disillusionment with church Only then did he discover what relaxing in Jesus means and how enjoying God's intimate presence can transform everyday life Using a unique story driven format *God without Religion* dismantles common religious misconceptions revealing the true meaning of being filled with the Spirit the facts about judgment rewards and God's discipline the simple truth behind predestination and the divisions it causes the problem with the popular challenge to live radical Pulling no punches Farley shows how the truth about these controversial issues can liberate and unify believers as we discover how to rest in the unconditional love of God

God Without Religion Michael Arnheim, 2016-06-29 Which is right atheism or organised religion Answer Neither What's wrong with atheism The intolerant radical New Atheists of today champion the theory of evolution by natural selection which may help to explain small changes and variations in living things but can't explain the origin of the universe or the origin of life because natural selection needs life to kick start it into action No life no natural selection Does organised religion do any better Not at all It simply has too much baggage Why does evil exist in the world And why are the good not rewarded and the wicked punished Organised religion has no answer except to kick these problems upstairs into the afterlife of which there is no evidence whatsoever What then of the claims of religious truth Most of the claims made for Jesus are demonstrably false Creed religions like Christianity and Islam believe that they alone hold the key to truth and salvation But communal religions like Hinduism Japanese Shinto and the religions of the ancient world tend to be more tolerant Orthodox Judaism starting out as a communal religion has now adopted certain

features of a creed religion and become more intolerant But more tolerant than either radical atheism or any organised religion is deism Unlike conventional religions which are based on belief in a personal god deism believes in an impersonal God who does not get involved in the day to day affairs of the world Back cover *Religion Without God and God Without Religion* William Arthur,1885 God Without Being Jean-Luc Marion,2012-06-29 Jean Luc Marion is one of the world s foremost philosophers of religion as well as one of the leading Catholic thinkers of modern times In *God Without Being* Marion challenges a fundamental premise of traditional philosophy theology and metaphysics that God before all else must be Taking a characteristically postmodern stance and engaging in passionate dialogue with Heidegger he locates a God without Being in the realm of agape or Christian charity and love If God is love Marion contends then God loves before he actually is First translated into English in 1991 *God Without Being* continues to be a key book for discussions of the nature of God This second edition contains a new preface by Marion as well as his 2003 essay on Thomas Aquinas Offering a controversial contemporary perspective *God Without Being* will remain essential reading for scholars and students of philosophy and religion Daring and profound In matters most central to his thesis Marion s control is admirable and his attunement to the nuances of other major postmodern thinkers is impressive Theological Studies A truly remarkable work First Things Very rewarding reading Religious Studies Review **God Without Religion** Sankara Saranam,2001-09-07 Disillusioned with organized religion some people escape into New Age movements and others retreat from their spiritual moorings altogether A more satisfying and transformative option for some is to embark on a quest to discover God independently Using time tested tools of spiritual investigation it becomes possible to examine our present beliefs explore the nature of God and sense of self and ultimately expand our identity beyond its borders This book introduces this age old approach to spiritual inquiry for modern day readers Step by step it offers a bridge between organized religion and mystical spirituality for anyone questioning traditional dogma or its legacy of divisiveness It also assists in overcoming limitations and notions of exclusivity promoted by New Age movements Included are 17 universal techniques for developing a new view of what is meant by God and for broadening our view of ourselves others and all of life **God Without Religion** David Ellsworth,2014-12-10 How people view God has been defined by centuries of religions and their influence born of the claim of being messengers of an absolute truth This book explores religion and how it once spoke about God and now speak for Him
