## **God Are We There Yet English Edition:**

*God, Are We There Yet?* Robert Stofel, 2020-03-24 When you're tired of merely trying to survive your life journey and are ready to finally get somewhere this is the book you need Are we there yet How many times did you ask your mom or dad that question usually from the back seat of the car on a road trip with endless twists and turns Well for some of us times haven't really changed that much Only now we find ourselves asking our heavenly father God are we there yet Will the construction detours end Why can't I take the scenic route Gently drawing upon the life journey metaphor author pastor and counselor Robert Stofel touches our hearts and minds as he points us toward practical easy to follow instructions that lead us to God's ultimate satisfying direction for our lives The journey of a lifetime begins with the question God are we there yet Includes a readers guide for personal reflection or group study

**Dear God Are We There Yet?** Alicia Sanchez, 2017-04-09 How many times in your life have you found yourself wondering where you are going in life What are you supposed to do when you get there How are you going to get there Dear God are we there yet That was my question I realized the answer to our personal questions can most often be found by looking within when we find that we have complete access to this part of us You then awaken and start driving your spiritual vehicle We question if we are self-guided Gods or being guided by a God In this book this movement I use a car and road trip as metaphor When we are able to see and feel our purpose our truth we can start maneuvering that God particle that will guide us like a built-in inner GPS Just as you were guided here

**Are We There Yet?** Sarah Lynne Ramsey, 2009-09 Did you know God has a secret place He does and he wants you to learn the way into the secret place of the Most High In *Are We There Yet* Sarah Ramsey uncovers an ancient path in the Tabernacle of Moses that reveals the pattern into God's presence Though the journey is simple many people do not know how to get there Let's make the journey together It is simply not possible to take this journey incrementally and progressively and not get there our arrival being understood as a renewed sense and awareness of God's own manifested presence After having read Sarah's book the sense of the manifest presence of the Lord has increased in a way that I have long desired Sarah really does take you there Bob and Judith Mumford International Bible teacher and author In a time when mankind has apparently lost his mooring to anything steadfast and absolute *Are We There Yet* comes along Every Christian worker serious about their service for the gospel should add this foundational work to their library Joe McGee President Joe McGee Ministries Faith For Families Our hope and trust is that this in-depth examination of the pathway into the presence of God will inspire many to begin and complete this valuable journey and then to abide in His presence Dick Leggatt President Derek Prince Ministries Sarah has a contagious love for Christ and His presence and walks intimately with Him Her personal prayer life is honored and emulated by others Pastor Eddie Turner First Assembly of God Cookeville Tennessee

*Are We There Yet?* Jason Bargo, 2009-12 I am Alpha and Omega the beginning and the end I will give unto him that is athirst of the fountain of water of life freely He that overcometh shall inherit all things and I will be his God and he shall be my son Revelation 21:5-7 KJV Jason

Bargo's book has elbowed its way into an already crowded field by way of Jason's unabashed passion for the Gospel of Jesus Christ; his thorough work with the Old Testament texts; Revelation so heavily depends upon; and his willingness to Biblically differ with prior approaches to the Revelation. Agree or disagree, this work is worth investigation.

Robert Franklin Sr, Pastor Main Street Church, *Are We There Yet?* from new author Jason Bargo takes the reader on a guided tour of the book of Revelation presented in an easy-to-understand format. After years of studying the final book of the Bible, the author felt led to share his ideas with others. An insightful, useful topical reference, *Are We There Yet?* provides an in-depth look at the events described in the book of Revelation, events that may not be too far off. This is Revelation like you've never seen it before. Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand. Revelation 1:3 KJV

What goes into planning a successful exhibition and how do we know one when we see it? This book gathers the thinking of leading exhibition professionals in a point-counterpoint format that grew out of an invitational conference at the Exploratorium. A DVD augments these descriptions with color images and several video walkthroughs.
